3-01. Personal Appearance. A party may appear in any proceeding in person. An individual may appear in his own behalf; a member of a partnership may represent the partnership; a bona fide officer of a

corporation, trust, association or organized group may represent the corporation, trust, association or group; and any officer or employee of a county, municipality, or other political subdivision of the State of Maryland, Commonwealth of Virginia, or the District of Columbia, or other governmental authority, may represent the county, municipality, political subdivision, or other governmental authority in any proceeding.

3-04. Standard of Conduct. All attorneys and other representatives appearing before the Commission or a presiding officer must conform to the standards of ethical conduct required of practitioners before the Courts of the United States.

3-05. Disqualification or Suspension. The Commission may deny, temporarily or permanently, the privilege of appearing or practicing before it in any way, to any person who is found by the Commission after hearing, not to possess the requisite qualifications to represent others, or to have engaged in unethical or improper professional conduct, or otherwise to be not qualified. Conduct amounting to contempt at any hearing shall be ground for exclusion from the hearing and for summary suspension without a hearing for the duration of the hearing or of the proceedings.

3-06. Written Appearances. Persons appearing in a proceeding before the Commission shall deliver a written notation of such appearance to the office of the Commission or shall cause such notification to appear on the application, protest, complaint, or other initial pleading filed on behalf of the person for whom the appearance is entered. If a hearing date has been set, or if the party's written consent is not obtained, or if the party is not represented by another representative, a representative may withdraw his or her appearance only by order of the Commission upon motion of the representative served upon all parties to the proceeding, including the party represented by the representative seeking leave to withdraw. The Commission may deny a representative's motion for

leave to withdraw if such withdrawal would unduly delay the proceeding, be unduly prejudicial to any party, or otherwise not be in the interests of justice or the efficient handling of the Commission's docket.

4. Formal Requirements as to Pleadings, Documents, and Other Papers Filed in Proceedings.

4-01. Title. Pleadings, documents, or other papers filed with the Commission in any proceeding shall clearly show the case designation, title of the proceeding before the Commission and a general description of the filing, such as "Complaint," "Motion," etc.

4-02. Copies. Except as may be otherwise required by the rules or regulations of the Commission or ordered or requested by the Commission, there shall be filed with the Commission an original and four conformed copies of all pleadings, documents, or other papers; provided, however, that when service of such pleadings, documents, or other papers is required to be made by the Commission, the Commission may require the filing of sufficient additional copies for service upon all those required to be served. 4-03. Form. Pleadings, documents, or other papers (except informal complaints) shall be printed, typewritten, or otherwise duplicated in permanently legible form. Such material shall be on paper cut or folded to letter size, 8-1/2 inches wide by 11 inches long, with left-hand margin not less than 1-1/2 inches wide and other margins not less than 1 inch. The impression shall be on only one side of the paper. Informal complaints may either conform to the foregoing provisions or simply be in legible writing.

4-04. Binding. Bound pleadings, documents, and other papers shall be bound at the left side.

4-05. Signature. All pleadings, documents or other papers filed by a party in interest or by a person in a representative capacity on behalf of a party in interest, other than by an attorney, shall be subscribed to and verified under oath. Any facts alleged in any filing shall be verified under oath by a person having knowledge of the matters set forth.

When signed by an attorney, the signature constitutes a certification that the attorney has read the pleading, document or paper; that the attorney is authorized to file it; that to the best of the attorney's knowledge, information, and belief there is good ground for it; and that it is not interposed for delay.

4-07. Certificate of Service. Except when service is required to be made by the Commission, every pleading, document, or other paper must, when filed or tendered to the Commission, include a certificate showing service and the method thereof upon all parties to the proceeding, and the name and address of each person served.

5. Service.

When a person is represented by an attorney of record, service upon such attorney shall be deemed service upon the person.

5-02. By the Parties. Except as otherwise provided, all pleadings, documents or other papers shall be served by the party making the filing. Service shall be made as set forth in Rule 5-01.

5-03. Date of Service. The date of service shall be the date when the matter served is deposited in the United States mail, first class postage prepaid, or is delivered in person, as the case may be, in computing the time from such date, the applicable provisions of Rule 7 shall apply.

6-01. To Parties. When required by statute or these Rules, the Commission shall give notice to the parties to a proceeding by mailing to each of them a copy of a notice or order, as the case may require. If such order relates to the setting of a matter for hearing or to the adoption of any substantive rules of general application, such notice shall be given to the parties not less than twenty-five (25) days prior to the date of hearing or the date for adoption or consideration of such general substantive rules, unless the Commission provides otherwise by order.

6-02. Posting. When a matter is set for hearing, notice thereof will be posted at the office of the Commission. Notice of all postponements of such hearings, if such action is ordered other than upon

the record during a hearing, shall be posted and served upon all parties of record.

6-03. Publication. The Commission may publish notice of a formal proceeding by written or electronic means. The Commission may require publication of additional notice by the carrier(s) initiating a formal proceeding or against which a formal proceeding is directed and require said carrier(s) to bear the expense of publishing such additional notice.

6-04. Contents. Every notice or order for hearing shall state the time, place and nature of the proceeding, and indicate briefly the substance of the matter.

7. Time.

7-01. Computation of Time. Except as otherwise provided by law, in computing any period of time prescribed or allowed by any rule, regulation, or order of the Commission or by the Compact, the day of the act, event, or default from or after which the designated period of time begins to run shall not be included, but the last day of the period so computed shall be included, unless it is a Saturday, Sunday or a legal holiday designated in Rule 2-11, in which event the period shall run until the end of the next day which is not a Saturday, Sunday, or a legal holiday. In the event the period of time to be computed does not exceed ten days, Saturdays, Sundays, and holidays shall not be counted.

7-05. Extensions. Except when fixed by statute, whenever by any rule, regulation, or order of the Commission, or any notice given thereunder, an act is required or allowed to be done at or in a specified time, the time fixed or the period of time prescribed may for good cause be extended by the Executive Director or the presiding officer upon motion made, except as provided by Regulation Nos. 65 and 66.

7-06. Postponements and Continuances. Prior to the convening of a hearing, the Commission or the Executive Director may for good cause, with or without motion, postpone any hearing. A hearing shall begin at the time and place ordered, but thereafter may be adjourned from time to time or from place to place by the Commission, or by the presiding officer.

7-07. Requests for Postponements, Continuances and Time Extensions. Requests for postponement and continuance of hearings or for extensions of time in which to perform any act required or allowed to be done at or within a specified time by any rule, regulation, or order, shall be made by motion in writing, timely filed, stating the facts on which the motion rests, except that during the course of a hearing in a proceeding, such request may be made by oral motion at the hearing before the Commission or the presiding officer. Written motions filed under this section shall conform to the requirements of Rule 4.

8. Filings; Dockets; Hearing Calendar.

8-01. Filing With the Commission. The filing with the Commission as required or allowed by any rule, regulation, or order of the Commission, or by applicable statute, of applications, complaints, petitions, protests, answers, motions, briefs, exceptions, tariffs, schedules, notices, reports, or other pleadings, amendments to pleadings, documents, or papers shall be made by filing them with the Executive Director of the Commission at its principal office during the normal business hours as set forth in Rule 1-02. Any such filings must be received by the Executive Director at the office of the Commission within the time limit, if any, for such filing.

8-02. Acceptance for Filing. The pleadings, documents, or other papers, referred to in Rule 8-01, permitted or required to be filed, will be accepted for filing only if such pleadings, documents, or other papers conform to the requirements of these Rules and any other applicable rule, regulation, or order of the Commission or applicable statute. Such pleadings, documents, or other papers tendered for filing that fail so to conform may be refused acceptance for filing and may be returned by the Executive Director with an indication of the deficiencies of the tendered filing and the reasons for nonacceptance and return. Acceptance for filing shall not waive any failure to comply with any requirements and such failure may be cause for striking all or any part of such filing.

8-03. Docket. The Executive Director shall maintain a docket of all formal proceedings filed with or initiated by the Commission.

8-04. Hearing Calendar. The Executive Director shall maintain a hearing calendar of all proceedings set for hearing. Proceedings pending upon this calendar will, in their order of assignment, so far as is practicable, be heard at the times and places fixed by the Commission, giving due regard to the convenience and necessity of the parties or their attorneys. The Commission, in its discretion, with or without motion, however, may for cause at any time, with due notice to the parties, advance or postpone any proceeding on the hearing calendar.

9. Commencement of Proceedings.

9-01. Other than by Commission. Proceedings are commenced by the filing of (1) an application for authorization or permission which the Commission may grant under statutory authority (generally styled "Application Proceeding" and docketed as "Case No. AP-..."); (2) a formal complaint asserting a violation of the Act or the Commission's rules, regulations, or orders thereunder or a failure to comply with the Act or the Commission's rules, regulations, or orders thereunder (generally styled "Formal Complaint" and docketed as "Case No. FC-..."); and (3) a petition seeking relief otherwise than by application or complaint (generally styled "Miscellaneous Proceeding" and docketed as "Case No. MP-...").

9-02. By the Commission. Proceedings may be instituted by the Commission, upon complaint or upon its own motion, by the issuance of an order to show cause, an order of investigation, or other appropriate order.

10. Complaints and Petitions.

10-01. General. All complaints and petitions shall conform to the requirements of Rule 4.

10-02. Contents. Every complaint and petition, unless otherwise specified, shall contain the following:

(a) The name, address, and telephone number of the person by or on whose behalf the filing is made.

(b) The name, address, and telephone number of such person's attorney or attorneys, if such person is represented by counsel.

(c) A statement setting forth the nature of the interest of the complainant or petitioner in the subject matter of the filing and the position of such person with respect thereto.

(d) A clear and concise statement of the facts upon which the filing is based.

(e) A statement of the particular action requested or relief sought.

(f) A reference to the specific section or sections of the Act, rules, regulations, or orders of the Commission on which the filing is based and which authorizes the Commission to take the requested action or grant the requested relief.

(g) All other information as required by the Commission's rules and regulations under which the specific complaint or petition is filed, and as may be required by the Commission in a particular case or proceeding.

10-03. Petitions for Issuance, Amendment, or Repeal of Rules. A petition for the issuance, amendment, or repeal of a rule by the Commission shall set forth clearly and concisely petitioner's interest in the subject

matter, the specific rule, amendment, or repeal requested and cite by appropriate reference the statutory provision or other authority therefor. Such petition shall set forth the purpose of and the facts claimed to constitute the grounds requiring such rule, amendment, or repeal and shall otherwise conform to the requirements of Rule 4. Petitions for the issuance or amendment of a rule shall incorporate the proposed rule or amendment.

11. Informal Complaints.

11-01. Form and Content. Informal complaint may be made legibly by letter or other writing and must include the correct name and complete address of the complainant. Informal complaints will be serially numbered and filed as of the date of receipt. No form of informal complaint is prescribed, but in substance it should contain as much information as possible.

11-02. Handling. Matters so presented will be taken up by the Commission with the parties affected, by correspondence or otherwise, in an endeavor to resolve the complaint without a formal order or hearing.

11-03. General. An informal complaint will not be docketed for formal hearing, and no formal order will be issued thereon. Only formal complaints submitted and prosecuted in the manner prescribed in Rule 10 will initiate formal proceedings or make complainant a party to any proceedings already initiated, and only formal complaints will be admitted in the record of formal proceedings. The filing of an informal complaint, however, is without prejudice either to the right of the complainant thereafter to file a formal complaint or to the right of the Commission to initiate a proceeding under Rule 9 of these Rules.

12. Answers.

12-01. When Required. When provided for by these Rules, by order, or by the Compact, an answer shall be filed by each respondent named in an order to show cause or order of investigation issued by the Commission. An answer shall be filed to any formal complaint or petition filed by any person other than the Commission by each respondent against whom any relief is requested. Joint answers may be filed when common issues of fact or law are involved.

12-02. Content. An answer must admit or deny each material allegation of the pleading to which it responds and shall be so drawn as to fully disclose the particular grounds upon which it is based. Answers may contain matters of affirmative defense as well as denials of material allegations. All matters not specifically denied or to which no affirmative defense is pleaded are deemed admitted. All answers shall conform to Rule 4.

12-03. Time for Filing. All answers shall be filed within fifteen (15) days of service of the pleading to which the answer is to be filed, unless otherwise ordered by the Commission.

13. Protests.

13-01. Proceedings in Which Protests May be Filed. A protest may be filed against the granting of any application or against any petition or other request for any authorization, certificate or permission, or for relief from any provision of the Compact, rules, regulations, or orders thereunder, by any person having a substantial interest therein.

13-02. Content. A protest shall set forth specifically the grounds upon which it is made and shall specifically refer to any provision of the Compact or of the rules, regulations or orders of the Commission upon which the protest is based. Each protest shall contain a concise statement clearly setting forth the substantial interest of the protestant in the proceeding.

13-03. When Filed. Unless otherwise provided by order or notice, protests shall be filed at least ten (10) days before the hearing scheduled on an application, petition, or other matter.

14. Petition for Investigation of Tariff. Petitions requesting investigation of a tariff, or regulation pertaining thereto, shall be considered as formal complaints.

15. Motions.

15-01. Scope and Content. A timely motion may be filed for any relief or action of the Commission for which no other pleading is available under these rules. All motions shall be submitted in writing, except motions made on the record during a hearing. At the direction of the presiding officer, such oral motions shall be reduced to writing and filed within the time specified by the presiding officer. Motions shall set forth the ruling or relief sought and state the grounds therefor and the statutory or other authority relied upon. Except for good cause shown, any motion, filed prior to hearing, which seeks dismissal of a pleading or the postponement of a hearing must be filed at least ten (10) days before the date set for the hearing.

15-02. Objection. An answer or objection to a motion may be filed within five (5) days after service of the motion, except when service is by mail an additional two (2) days shall be allowed.

15-03. Reply. A reply may be filed within three (3) days after service of such objection or answer, except when said service is by mail an additional two (2) days shall be allowed, and said reply shall not reargue propositions presented in the motion or present matters which are not strictly in reply to new matter presented in such objection or answer.

15-04. Rulings. The presiding officer designated to preside at a hearing is authorized to rule upon any motion made during the course of the hearing or upon any motion not formally acted upon by the Commission prior

to the commencement of the hearing where immediate ruling is essential in order to proceed with the hearing; provided, however, that no motion made before or during a hearing, a ruling upon which would involve or constitute a final determination of the proceeding, shall be ruled upon by a presiding officer. The presiding officer, upon his or her own motion or in his or her discretion upon motion of any party, may certify any motion to the Commission before the hearing is concluded. Except where a ruling on a motion is within the authority of the presiding officer or the Executive Director, said ruling shall be made by the Commission.

16. Intervention.

16-01. By Petition. Any person not named as a party in a proceeding, but having a substantial interest therein, who has not timely filed a protest, may petition the Commission for leave to intervene no later than the first day of the hearing. No such petition shall be granted except on good cause being shown for failure timely to file a protest. Where appropriate, the Commission shall treat a timely-filed petition for leave to intervene as a protest.

16-02. Form and Contents of Petition. A petition for leave to intervene shall set forth the grounds for the proposed intervention, the position and the interest of the petitioner in the proceeding, and whether petitioner's position is in support of or in opposition to the relief sought. Such a petition shall conform to Rule 4.

16-03. Service; Replies. A petition to intervene shall be served upon each party to the proceeding. Any reply in opposition to a petition for leave to intervene must be filed within five (5) days after service, except when said service is by mail an additional two (2) days shall be allowed. In the discretion of the Commission, leave to intervene may be granted or denied before the expiration of the time allowed for replies.

16-04. Disposition. Leave will not be granted except on averments reasonably pertinent to the issues already presented and which do not unduly broaden them. If leave is granted, the petitioner thereby becomes an intervenor and a party to the proceeding.

17. Prehearing Conferences.

17-01. Purposes. Upon written notice by the Commission in any proceeding, parties or their attorneys may be directed to appear before the Commission or a presiding officer at a specified time and place for a conference, prior to or during the course of a hearing, or, in lieu of personally appearing, to submit suggestions in writing, for the purpose of formulating issues and considering:

(a) the simplification of issues;

(b) the necessity or desirability of amending the pleadings either for the purpose of clarification, amplification, or limitation;

(c) the possibility of making admissions of certain averments of fact or stipulations including those concerning the use of matters of public record, to the end of avoiding the unnecessary introduction of proof;

(d) the procedure at the hearing;

(e) the limitation of the number of witnesses;

(f) the propriety of prior mutual exchange between or among the parties of prepared testimony and exhibits; and

(g) such other matters as may aid in the disposition of the proceedings.

17-02. Recordation and Order. Action taken at the conference, including a recitation of the amendments allowed to the pleadings and the agreements made by the parties as to any of the matters considered, shall be recorded in an appropriate order, unless the parties enter upon a written stipulation as to such matters, or agree to a statement thereof made on the record by the presiding officer.

17-03. Objection to the Order; Subsequent Proceedings. If a prehearing order is entered, a reasonable time shall be allowed to the parties to present objections on the ground that it does not fully or correctly embody the agreements reached at such conference. Thereafter, the terms of the order or modification thereof, any written stipulation, or any statement of the presiding officer, as the case may be, shall determine the subsequent course of the proceedings, unless modified to prevent manifest injustice.

18. Subpoenas.

18-01. Requests; Issuance. Unless directed by the Commission upon its own motion, a subpoena to compel a witness to produce documentary evidence will be issued only upon motion showing general relevance and reasonable scope of the evidence sought, which motion must also specify with particularity the books, papers, or documents sought, and the facts expected to be proved thereby: provided, however, that for good cause shown, in lieu of a motion, the request for such a subpoena may be made orally upon the record to the hearing officer. A request for issuance of a subpoena other than to compel the production of documentary evidence may be made either by motion or orally upon the record to the officer presiding at the hearing. A showing of general relevance and reasonable scope of the evidence sought may be required and the subpoena will be issued or withheld accordingly. A subpoena may be issued by the Commission or by the officer presiding at the hearing, but only with the signature of the Executive Director or a member of the Commission.

18-02. Service and Return. A subpoena may be served by a United States Marshal or his Deputy, or by any other person who is not less than 18 years of age. If service of subpoena is made by a United States Marshal or his Deputy, such service shall be evidenced by his return thereon. If

made by another person, such person shall make affidavit thereof, describing the manner in which service is made, and shall return such affidavit on or with the original subpoena. Service of subpoena shall be made by delivering a copy to the person named therein or by delivering a copy to the person's place of business or residence or in any manner specified in Rule 5-01 except by mail. In case of failure to make service, the reasons for failure shall be stated on the original subpoena. The original subpoena, bearing or accompanied by the authorized return, affidavit, or statement, shall be returned forthwith to the Commission or, if so directed on the subpoena, to the presiding officer before whom the person named in the subpoena is required to appear.

18-03. Fees of Witnesses. Witnesses subpoenaed (except parties to the proceeding, their officers, agents, servants, employees, and those persons in active concert or participation with them) may be paid the same fees and mileage as are paid for like services in the United States District Court for the District of Columbia, which shall be paid by the party requesting the subpoena. The Commission, before issuing any subpoena, may require a deposit of an amount adequate to cover the fees and mileage involved.

19. Depositions.

19-01. When Permissible. The testimony of any person who is or will be unable to testify before the Commission may be taken by deposition upon showing of good cause as set forth by order issued by the Commission either upon application by a party or upon its own initiative.

19-02. Motion for Order. A motion to take a deposition shall be filed with the Commission not less than fifteen (15) days before the proposed date for taking the deposition, unless the Commission shall otherwise permit. The motion shall set forth the reason for the deposition, the place and time of taking, the officer before whom it is to be taken, the names and addresses of the witnesses, and whether the deposition is to be based upon written interrogatories or upon oral examination. If the deposition is to be based upon oral examination, the motion shall contain a statement of the subject matter concerning which each witness will testify. If the deposition is to be based on written interrogatories, the motion shall be accompanied by the interrogatories to be propounded. Copies of all motions to take depositions and accompanying interrogatories, if any, shall be served on all parties. A party served with a motion to take a deposition may object to the taking of such deposition by filing with the Commission and serving upon all parties within five (5) days after receipt of the motion to take a deposition, a notice of such objection stating the reasons therefore, except when said service is by mail an additional two (2) days shall be allowed. A party served with a motion to take a deposition on written interrogatories shall have ten (10) days, or such other time as the Commission may permit, after receipt of service of such motion within which to file and serve written cross-interrogatories. Upon the issuance of an order by the Commission for the taking of a deposition, the Executive Director shall mail a copy thereof to all parties and fix the date for taking of such deposition. An application to take a deposition outside the Metropolitan District will be

entertained when necessary or convenient, and authority to take such deposition will be granted upon such notice and other terms and directions as are lawful and appropriate.

19-03. Contents of order. The order issued authorizing the taking of a deposition shall state the name and address of each witness and the subject matter concerning which it is expected such witness will testify and the place where, the time when, and the officer before whom the deposition is to be taken. An alternate officer to take the deposition may be named. If the deposition is to be taken upon written interrogatories, a list of the interrogatories shall accompany the order.

19-04. Officer Before Whom Taken. Within the United States or within the territory or insular possessions subject to the dominion of the United States, depositions shall be taken before an officer authorized to administer oaths by the Commission or by the laws of the United States or of the place where the examination is held. Within a foreign country, a deposition may be taken before an officer or person designated by the Commission or agreed upon by the parties by stipulation in writing to be filed with the Commission.

19-05. Record of Examination. The officer before whom the deposition is to be taken shall put the witness on oath or affirmation and shall personally, or by someone acting under his direction and in his presence, record the testimony of the witness. The testimony shall be taken stenographically and transcribed unless the parties agree otherwise. All objections made at the time of the examination to the qualifications of the officer taking the deposition, or to the manner of taking it, or to the evidence presented, or to the conduct of any party, and any other objections to the proceedings, shall be noted by the officer upon the record of the deposition. Evidence objected to shall be taken subject to the objections. Any party may cross-examine a witness whose testimony is taken by oral deposition. In lieu of cross-examination, parties may transmit written interrogatories or cross-interrogatories to the officer taking the deposition, who shall propound them to the witness and record the answers verbatim together with any objections interposed thereto by adverse parties.

19-06. Submission to Witness. When the testimony is fully transcribed, the deposition of each witness shall be submitted to him for examination and shall be read to or by him. Any change in form or substance which the witness desires to make shall be entered upon the record of the deposition by the officer with a statement of the reasons given by the witness for making them. The deposition shall then be signed by the witness unless the parties by stipulation waive the signing or the witness is ill or cannot be found or refuses to sign. If the deposition is not signed by the witness, the officer shall sign it and state on the record the fact of the waiver or of the illness or absence of the witness or the fact of the refusal to sign together with the reason, if any, given therefor; and the deposition may then be used as fully as though signed, unless, on a motion to suppress, the Commission holds that the reasons given for the refusal to sign require rejection of the deposition in whole or in part.

19-07. Certification and Filing by Officer. The officer taking the deposition shall certify on the record of the deposition that the witness was duly sworn or put on affirmation by him and that the deposition is a true record of the testimony given by the witness, and that said officer is not of counsel or attorney to any of the parties, or interested in the disposition of the proceeding or investigation. He shall then securely seal the deposition in an envelope marked with the title of the action and "Deposition of (here insert name of witness)" and shall promptly deliver to the Commission, by hand or by certified or registered mail, the original and four copies thereof, together with the original and, where practicable, four copies of all exhibits.

19-08. Waiver of Objections. Objections to the form of question and answer shall be made before the officer taking the depositions, and if not so made shall be deemed waived, provided that if no staff counsel of the Commission is present at the taking of the deposition of any witness, such deposition shall, when offered at the hearing, be received in evidence subject to proper legal objection by staff counsel.

19-09. Time of Filing. Depositions shall be filed with the Commission before they are offered as evidence.

19-10. Inclusion in Record. No deposition shall constitute a part of the record in any proceeding until received in evidence at a hearing.

19-11. Fees. A witness whose deposition is taken pursuant to these Rules and the officer taking same, unless employed by the Commission, shall be entitled to the same fee paid for like service in the United States District Court for the District of Columbia, which fee shall be paid by the party at whose instance the deposition is taken.

20. Hearings.

20-01. How Ordered. Hearings for the purpose of taking evidence shall be held upon order of the Commission, and notice thereof shall be given as provided in Rule 6. The Commission, or the presiding officer if the hearing is not being conducted by the Commission, may continue, adjourn, or postpone any hearing upon its or his own motion or upon the motion of any party. Notice of all postponements, continuances, or adjournments of hearing shall be posted as provided in Rule 6-02. If such action is ordered other than upon the record during a hearing, the Commission shall give notice thereof to the parties to the proceeding, but shall not be required to make publication of such action or otherwise advise the public with respect to such action.

20-02. Consolidation. The Commission, upon its own motion or upon motion by a party or staff counsel, may order proceedings involving a common question of law or fact to be consolidated for hearing or for determination of any or all the matters at issue in such proceedings. Such consolidation, however, shall be for administrative convenience only and shall not be construed to affect the procedural or substantive rights of any party, staff counsel, or the Commission.

20-03. Presiding Officer. All hearings shall be held before the Commission or a duly designated presiding officer. A presiding officer shall withdraw from a proceeding when he deems himself disqualified, or he may be withdrawn by the Commission for good cause found after timely affidavits alleging personal bias or other disqualifications have been filed and the matter has been considered by the Commission or by a presiding officer to whom it has delegated the matter for investigation and report. Fees for an administrative law judge to preside over a hearing will be assessed by order as deemed appropriate. Initial assessments will be estimated. The final assessment will be adjusted to reflect the actual cost to the Commission.

20-04. Authority. The presiding officer may set hearings and control the course thereof; administer oaths; issue subpoenas; receive evidence; hold appropriate conferences before or during hearings; rule upon all objections or motions which do not involve final determination of proceedings; receive offers of proof; hear legal arguments; and fix the time for filing of briefs. He may take such other action as may be necessary and appropriate to the discharge of his duties, consistent with the statutory or other authorities under which the Commission functions and with the rules, regulations and policies of the Commission including, but not limited to, Rule 3-05 of these Rules.

20-05. Order of Procedure. Unless otherwise ordered by the Commission or the presiding officer, in proceedings initiated by application, complaint, or petition, the applicant, petitioner, or complainant shall open and close at the hearing. Intervenors shall follow the party in whose behalf the intervention is made. When proceedings have been consolidated for hearing, the Commission or the presiding officer shall designate who shall open and close and the order in which the parties shall present evidence. In proceedings where evidence is peculiarly within the knowledge or control of a party, this fact may be taken into account in designating the order of presentation of evidence.

20-06. Presentation by Parties. Parties and staff counsel shall have the right of presentation of evidence, cross-examination, objection, motion, argument, and appeal, subject to any limitations imposed by the Commission or the presiding officer on the number of witnesses who may be heard upon any issue raised in the proceeding, the number of persons individually participating in the proceeding, and the number of attorneys who will be permitted to examine or cross-examine witnesses or otherwise participate in the proceedings, in order to expedite the hearing and to eliminate unnecessary duplication and cumulative evidence and argument. Witnesses shall be examined orally unless the testimony is taken by deposition as provided in Rule 19, or the facts are stipulated in the manner provided in Rule 22-10, or prepared expert testimony is submitted in accordance with Rule 22-04.

20-07. Objections and Exceptions. Formal exceptions to a ruling by the Commission or presiding officer are unnecessary. It is sufficient that a party, at the time the ruling is made or sought, make known on the record the action that he desires the Commission or the presiding officer to take, or his objection to the action of the Commission or the presiding officer, and his grounds therefor.

20-08. Additional Evidence. At any stage of the hearing, the Commission or the presiding officer may call for further evidence upon any issue, and require such evidence to be presented by the party or parties concerned or by the staff counsel, either at that hearing or continuances thereof or as late-filed exhibits. At the hearing, the Commission or the presiding officer may authorize any participant to file specific documentary evidence as a part of the record within a fixed time, expiring not less than ten (10) days before the date fixed for filing and serving briefs.

20-09. Record. The record of a proceeding shall consist of all pleadings, transcripts of testimony, exhibits, notices, orders, exceptions, and decisions and opinions of the Commission.

20-10. Transcript and Record. Hearings shall be recorded by the official reporter designated by the Commission and a verbatim transcript shall be a part of the record and the sole official transcript of the proceeding. Such transcript shall include a verbatim report of the hearings and nothing shall be omitted therefrom, except as is directed on the record by the Commission or the presiding officer. After the closing of the record, there shall not be received in evidence or considered as part of the record, any document, letter, or other writings submitted after the close of testimony, except (1) as provided in Rule 20-08, (2) changes in the transcript as provided in Rule 20-11 or (3) upon motion to the Commission. In advance of the hearing, by order, an amount estimated to be sufficient to cover the cost of transcribing the hearing will be assessed and required to be deposited with the Commission. The final assessment will be adjusted to reflect the actual cost to the Commission and, if applicable, the responsible party or parties.

20-11. Transcript Corrections. Corrections in the official transcript may be made only to make it conform to the evidence presented at the hearing and to speak the truth. No corrections or physical changes shall be made in or upon the official transcript of the proceedings except as herein provided. Transcript corrections agreed to by opposing attorneys may be incorporated into the record, if and when approved by the Commission or the presiding officer, at any time during the hearing or after the close of evidence, as may be permitted by the Commission, but not less than ten (10) days in advance of the time fixed for filing final briefs. The Commission or the presiding officer may call for the submission of proposed corrections and may make disposition thereof at appropriate times during the course of a proceeding.

20-12. Copies of Transcripts; Availability. A verbatim transcript of all public hearings will be made, and the Commission shall be furnished with such copies of the transcript as it requires for its own purposes. Participants desiring copies of such transcripts may obtain them from the official reporter upon payment of the fees fixed by the official reporter therefor. The Commission shall make available to the public during normal business hours one copy of the transcript, which copy may neither be removed from the Commission's offices nor reproduced.

21. Shortened Proceedings.

21-01. Where Hearing Waived. In any proceeding in which the Commission is authorized to act after hearing or opportunity for hearing, if the parties waive hearing, such hearing or opportunity shall be deemed to have been afforded by service or the giving of notice, as provided in Rules 5 and 6, of the application or other initial pleading, request, or other filing, such notice fixing a reasonable period of time within which a person may file a request to be heard. Upon the expiration of such period of time, in the absence of a request for hearing, the Commission may forthwith dispose of the matter upon the basis of the pleadings and other submittals and the studies and recommendations of the staff. A party not requesting oral hearing in its pleadings shall be deemed to have waived a hearing for the purpose of such disposition, but shall not be bound by such waiver for the purpose of any application for rehearing with respect to an order so entered.

21-02. Hearings Other Than Oral Hearings. When the Commission determines that justice and administrative expediency will be served, a hearing may take the form of written and notarized submissions or some other form in lieu of an oral hearing.

21-03. Additional Evidence. The Commission may direct in any shortened proceeding the filing of such affidavits, exhibits, or other evidence as it deems necessary.

21-04. Judgment on the Pleadings. Within 10 days of the closing of the pleadings in any uncontested case, the party initiating the case may move for judgment on the pleadings. If, on a motion for judgment on the pleadings, matters outside the pleadings are presented to and not excluded by the Commission, the motion shall be treated as one for summary judgment.

21-05. Summary Judgment.

(a) Motion. Any party to any proceeding before the Commission may, within 10 days after the time for filing replies has expired, move for summary judgment in his favor upon all or any part of the matter before the Commission. The motion shall be served on all parties to the case and shall, together with the pleadings, depositions, answers to interrogatories, and admissions on file and affidavits and memoranda of law accompanying it, set forth all evidence and legal argument on which the moving party relies. The adverse party or parties may respond within seven (7) days by serving opposing affidavits and/or memoranda of law. The response together with the extant record shall contain all evidence and legal argument on which respondent would rely. No replies are permitted. The judgment sought shall be rendered if the Commission on review of the record as a whole, finds that there is no genuine issue as to any material fact and that the moving party is entitled to judgment as a matter of law.

(b) Case Not Fully Adjudicated on Motion. If on motion under this rule judgment is not rendered upon the whole case or for all the relief asked and a hearing is necessary, the Commission may by examining the pleadings and the evidence before it, if practicable,

ascertain what material facts exist without substantial controversy and what material facts are actually and in good faith controverted. It shall thereupon make an order specifying the facts that appear without substantial controversy, and directing such further proceedings in the action as are just. upon the hearing of the action the facts so specified shall be deemed established, and the hearing shall be conducted accordingly.

(c) Form of Affidavits; Further Testimony; Defense Required. Supporting and opposing affidavits shall be made on personal knowledge, shall set forth such facts as would be admissible at hearing and shall show affirmatively that the affiant is competent to testify to the matters stated therein. Sworn or certified copies of all papers or parts thereof referred to in an affidavit shall be attached thereto or served therewith. The Commission may permit affidavits to be supplemented or opposed by depositions, answers to interrogatories, or further affidavits. When a motion for summary judgment is made and supported as provided in this rule, an adverse party may not rest upon the mere allegations or denials of his pleading, but his response, by affidavits or as otherwise provided in this rule, must set forth specific facts showing that there is a genuine issue requiring hearing. If he does not so respond, summary judgment, if appropriate, shall be entered against him.

22. Evidence.

22-01. Admissibility. Relevant and material evidence shall be admissible, but the Commission or presiding officer may exclude such evidence as is unduly repetitious or cumulative.

22-02. Rulings. The presiding officer may rule on admissibility of any evidence. Such rulings may be reviewed by the Commission in determining the matter on its merits. In extraordinary circumstances, where prompt decision by the Commission is necessary to promote substantial justice, the presiding officer may refer the matter to the Commission for determination.

22-03. Offers of Proof. An offer of proof for the record shall consist of a statement of the substance of the evidence to which objection has been sustained. If the excluded evidence is in documentary or written form or consists of reference to documents or records, a copy of such evidence shall be marked for identification and shall constitute the offer of proof.

22-04. Prepared Testimony. With approval of the presiding officer, a witness may read or otherwise incorporate into the record his testimony on direct examination. Admissibility shall be subject to the rules governing oral testimony. Prepared testimony shall be served upon all parties and the Commission five (5) days before the hearing unless such prior service is waived by all parties.

22-05. Documentary--Commission Files and Records in Other Proceedings. If any matter contained in a report or other document on file

with the Commission, or any portion of the record before the Commission in any proceeding other than the one being heard, is offered in evidence, such report or other document or record in the other proceeding need not be produced or marked for identification, but may be identified by specifying the report or other document or the portions of the record in such other proceeding in such manner that the same may be readily located and identified. Upon being received in evidence, a true copy of such matter or of such portion of the record in the other proceeding shall be presented for incorporation in the record in the form of an exhibit unless, in the discretion of the Commission or the presiding officer, such matter or such portion of the record in the other proceeding is permitted to be incorporated in the record by reference.

22-06. Documentary--Material From State Commissions, the Interstate Commerce Commission, and the United States Department of Transportation. Matter contained in a report or other document on file with, and portions of proceedings before, the Public Service Commission of the District of Columbia, the Public Service Commission of Maryland, the Virginia State Corporation Commission, the Interstate Commerce Commission, and the United States Department of Transportation may be identified and received in evidence in the manner permitted by Rule 22-05.

22-07. Official Notice of Facts. Official notice may be taken of such matters as might be judicially noticed by the Courts of the United States and of any other matter peculiarly within the knowledge of the Commission as an expert body.

22-08. Exhibits. Whenever practicable, all exhibits of a documentary character shall be on paper of good quality and so prepared as to be plainly legible and durable, whether printed, copied, or typewritten, and shall conform to the requirements of Rule 4.

22-09. Copies of Exhibits. When documentary exhibits are offered in evidence, at least four copies shall be furnished to the Commission or presiding officer and at least one copy to each party or counsel, including staff counsel.

22-10. Stipulations. In addition to stipulations made as provided by Rule 17-02, the parties, including staff counsel, may stipulate as to any relevant matters of fact or the authenticity of any relevant documents. Such stipulations may be received in evidence at a hearing and when so received shall be binding on the parties and staff counsel with respect to the matters therein stipulated.

23. Briefs and Oral Arguments.

23-01. Briefs. The Commission or presiding officer may fix the time for the filing of briefs. Concurrent briefs are preferred. Exhibits may be reproduced in an appendix to a brief. A brief of more than 20 pages shall contain a subject index and table of authorities. Requests for extension of time to file briefs must be made in writing to the Commission, and a copy thereof served upon the other parties to the proceeding. Ordinarily, when a matter is to be submitted on concurrent briefs,

extensions will not be granted unless a stipulation is filed with the Commission. The original of each brief shall contain a certification that copies have been served as required by Rule 5-02.

23-02. Oral Argument. If the Commission or the presiding officer is of the opinion that the complexity or importance of the issues raised in a brief so warrant, the Commission or the presiding officer may direct or permit the presentation of oral argument thereon.

23-03. Briefs in the Form of a Proposed Order. Where the Commission or the presiding officer deems it advisable, provision may be made for the filing by each party desiring to do so, including staff counsel, of a post-hearing brief in the form of a proposed order. Such briefs, together with the record in the proceeding, will be considered by the Commission, and the Commission, in its discretion, may adopt a proposed order with or without modification as its own. The Commission or presiding officer shall establish a time for the filing of such briefs and shall advise the parties that (a) reply briefs will not be permitted unless ordered by the Commission and (b) that requests for extensions of time to file briefs ordinarily will not be granted absent a showing of unusual cause or unless a stipulation is filed with the Commission. Briefs filed under this Rule should conform in style to that used by the Commission for its orders.

24. Decisions.

24-01. Issuance of Decisions. A proceeding shall stand submitted for decision by the Commission after the taking of evidence, and the filing of such briefs or the presentation of such oral argument as may have been prescribed by the Commission or the presiding officer.

24-02. Service of Decisions and Orders. Decisions and orders shall be served by the Executive Director, who shall serve copies thereof upon all parties or their attorneys of record.

24-03. Electronic Signature. The Commission's Executive Director may sign Commission orders by use of an electronic facsimile.

25. Form of Briefs; Copies.

25-01. Form of Briefs. Briefs shall conform to the requirements of Rule 4.

25-02. Number of Copies. An original and four conformed copies of briefs shall be filed with the Executive Director.

26. Reopening Proceedings.

26-01. Method of Reopening--By the Parties. At any time after the conclusion of a hearing in a proceeding or final adjournment thereof, but before entering and issuance by the Commission of a final order or rule, any party to the proceeding, including staff counsel, may file with the

Commission a petition to reopen the proceeding for the purpose of taking additional evidence. Such petition shall set forth clearly the facts claimed to constitute grounds requiring reopening of the proceeding, including material changes of fact or law alleged to have occurred since the conclusion of the hearing, and shall in all other respects conform as applicable to the requirements of Rules 4 and 5.

26-02. Answer. Within five (5) days following the service of such petition, any party to the proceeding or staff counsel may file with the Commission an answer thereto, except when said service is by mail an additional two (2) days shall be allowed, and in default thereof shall be deemed to have waived any objection to the granting of such petition.

26-03. Commission Action. As soon as practicable after the filing of answers to such petitions or default thereof, as the case may be, the Commission will grant or deny such petition.

26-04. Method of Reopening--by the Commission on Its Own Initiative. If, after the hearing in a proceeding, the Commission shall have reason to believe that conditions of fact or of law have so changed as to require, or that the public interest requires, the reopening of such proceeding, the Commission will issue an order reopening.

26-05. Reopening by Executive Director. In the event a conditional grant of authority becomes void due to an applicant's failure to timely satisfy the conditions of issuance within the 180 days allowed by Regulation No. 66, the Commission's Executive Director may reopen the proceeding and issue said authority if the applicant timely files an application for reconsideration in accordance with Rule No. 27-06 and satisfies the conditions of issuance on or before the deadline for requesting reconsideration.

27. Reconsideration of Orders.

27-01. Application. Any party affected by any final order or decision of the Commission may, within thirty (30) days after the publication thereof, file with the Commission an application in writing requesting reconsideration of the matters involved.

27-02. Content, Form, and Copies. An application for reconsideration shall state specifically the errors claimed as grounds for such reconsideration. Applications for reconsideration shall be filed with the Executive Director and shall comply with the requirements of Rule 4 except as to verification under oath. Service, as required by Rule 5-02, shall be made by the party filing the application for reconsideration upon all parties to the proceeding, and such service shall be indicated upon a certificate accompanying the filing.

27-03. Reply. A reply may be filed within five (5) days after service of such application, except when said service is by mail an additional two (2) days shall be allowed. A reply is not required and, if the circumstances so warrant, the Commission will not delay its action upon the application for reconsideration to await a reply.

27-04. Action on Application. The Commission in its discretion may permit or require oral argument or briefs, or both, upon an application for reconsideration. The Commission, within thirty (30) days after filing of such application, shall either grant or deny it. Failure by the Commission to act within such period shall be deemed a denial of the application for reconsideration. If the application is granted, the Commission shall, either with or without hearing, rescind, modify, or affirm its order or decision.

27-05. Stay. The filing of an application for reconsideration shall not act as a stay upon the execution of the order or the decision of the Commission; provided, however, that upon written consent of the parties, including staff counsel, such order or decision may be stayed to the extent ordered by the Commission.

27-06. Reconsideration of Voided Grant of Authority. The voiding of a conditional grant of authority pursuant to Regulation No. 66 represents the final decision of the Commission on the underlying application and therefore is subject to reconsideration. Publication of said decision shall be deemed to occur on the 181st day following issuance of the conditional grant.

28. Reports of Compliance. When any person subject to the jurisdiction of the Commission is required by Commission order to do or perform any act, there shall be filed with the Commission within thirty (30) days following the date when such requirement became effective, a notice, under oath, stating that such requirement has been met or complied with; provided, however, that the Commission in specific orders may provide for a different time for the giving of such notice of compliance. Such reports shall conform to Rules 4 and 5 of these Rules.

29. Waiver of Rules. The Commission may in its discretion, upon its own motion, or upon the filing of a motion showing good cause, waive any of the provisions of these Rules by duly advising the parties.

30. Amendment and Repeal of Rules. These rules may be amended, altered, changed, repealed, or waived at any time by the Commission.

31. Staff of the Commission. The Executive Director is in charge of the offices of the Commission. The staff is under the direct supervision of the Executive Director. In the performance of administrative functions, the Executive Director works under the direction of, and is responsible to, the Chairman of the Commission. Otherwise, the Executive Director is under the direction of, and is responsible to, the full Commission.

comply with these regulations, may be rejected by the Executive Director and returned to the applicant. 54-05. Procedure after Filing Where Hearing Required. If a hearing on an application is deemed necessary in the circumstances of a particular case, then an order setting a hearing shall be issued pursuant to Rule 6, which shall accomplish the following:

(a) Petitions to Intervene and Requests to be Heard. The order scheduling a hearing, which may be held at any place in the Metropolitan District, shall fix a date in advance of the hearing on or before which interested persons may file (i) petitions to intervene as prescribed by Rule 16 or (ii) requests to appear and be heard together with a brief statement of position and relevant interest and a showing of good cause for not having filed pursuant to Regulation 54-04. 54-06. Applications for Temporary Authority or Temporary Approval. The provisions of this subsection, in addition to the other provisions of this regulation, apply to the following:

(a) Operating Rights. Applications seeking temporary authority to conduct for-hire transportation of passengers in the Metropolitan District shall be accompanied by evidence sufficient to enable the Commission to determine (i) the exact nature of the service proposed, (ii) that there is an immediate need for service that is not available, and (iii) that applicant is fit to provide the temporary service proposed. Such evidence may consist of written and notarized statements signed by individuals or on behalf of organizations that would use the proposed service, or other credible evidence calculated to establish facts sufficient to support a grant of temporary authority.

(b) Transactions. An application for temporary approval by one carrier to operate the properties of another carrier pending the determination of an application for approval of a consolidation, merger, purchase, lease or contract to operate such properties shall be accompanied by evidence sufficient to enable the Commission to determine that a grant of such temporary approval would be consistent with the public interest. Such an application need not be on a form prescribed by the Commission, but it must be filed in conjunction with the filing of an application under Regulation 54-01(b).

54-07. Routine Applications for Irregular Route Authority. The executive director shall have the authority to approve applications to obtain, transfer or expansively amend a WMATC certificate of authority that meet the following seven criteria:

(g) the record contains no evidence tending to rebut the applicant's prima facie case.

Evidence tending to rebut a prima facie fitness showing shall include evidence of: insolvency, unfit safety rating from USDOT, prior WMATC revocation or denial of operating authority, and other transportation regulatory agency findings of unfitness. Such evidence shall not include an applicant's prior failure to satisfy the conditions of a grant of authority within the 180 days allowed by Regulation No. 66.

The carrier shall respond to reasonable inquiries regarding the contents and application of its tariffs, and upon request shall render such reasonable assistance as may be necessary to enable a person to locate desired information in a tariff. A carrier may not require a person to explain the purpose of a request or to do any other act as a prerequisite to furnishing information or assistance as required by this regulation.

55-05. Form and Size. Tariffs shall be printed or typewritten on paper 8-1/2 inches wide by 11 inches long with a left-hand margin not less than 1-1/2 inches wide and other margins not less than 1 inch. 55-06. Title Page. The title page of a tariff shall contain the following information:

(a) General Tariffs -- Specific Requirements. In the case of a general tariff, there shall be a serial number in the upper right hand corner denominated as "WMATC GENERAL TARIFF NO.____". Serial numbers shall run consecutively beginning with the number 1 and shall be assigned according to the order in which tariffs are issued so that a carrier's first general tariff is its WMATC GENERAL TARIFF NO. 1, its second general tariff is WMATC GENERAL TARIFF NO. 2, and so forth. When a general tariff is issued that cancels another general tariff, the serial number of the general tariff being cancelled shall be set forth immediately below the serial number of the new general tariff being issued. No more than one general tariff may be in effect at any time.

(b) Contract Tariffs -- Specific Requirements. In the case of a contract tariff, there shall be a serial number in the upper right hand corner denominated as "WMATC CONTRACT TARIFF NO. ____". 55-07. Contents of General Tariff. A General Tariff shall contain:

(b) An explanation of all abbreviations, symbols, and reference marks used in the tariff.

(c) A statement of the carrier's rules, regulations, and practices that pertain to rates, fares, charges, transportation, and transportation-related services.

(d) A statement of the rates, fares, and charges that apply to transportation and transportation-related services within the scope of the tariff. 56-02. How Filed. A tariff shall be filed by delivering the original and five copies thereof to the Commission's offices.

56-03. (a) Change(s) in General Tariff. No general tariff may be changed except by the filing of a new and complete general tariff. The new general tariff shall state an effective date not less than seven (7) days from the date it is filed. A general tariff must remain in effect for a minimum of sixty (60) days and may not be changed within that period; provided, however, that a new and complete general tariff may be filed within that period solely for the purpose of establishing rates, fares, or charges for entirely new service not covered by the general tariff being replaced. The filing of such a new general tariff within that period will commence a new 60-day period.

(b) Notice of Change(s) in General Tariff. Notice of change(s) in any general tariff shall be posted conspicuously in each of the carrier's vehicles operating in the Metropolitan District. Such notice shall be posted on the same date that the tariff is filed with the Commission, and shall be removed no sooner than the day after the tariff becomes effective. Contract tariffs will be deemed cancelled upon expiration or termination of the underlying contract on file. Notice of cancellation or termination before expiration of a contract tariff shall be filed with the Commission by the carrier within five (5) days of such termination, together with an explanation of the reason(s) therefor.

57-03. Public Notice of Changes. A carrier operating scheduled transportation service covered by its general tariff shall publish notice of any proposed changes in its time schedules. The notice shall:

- (a) be in writing;
- (b) state the proposed changes in detail;

(d) contain the language "Any person who wishes to oppose the schedule changes must file written objections with the Washington Metropolitan Area Transit Commission at least five (5) business days before the changes become effective. For more information on how to oppose the changes, call the Commission at (301) 588-5260.";

58. Security for Protection of the Public.

58-01. Financial Responsibility Requirement. No carrier shall transport passengers for hire between points in the Metropolitan District unless and until the carrier has satisfied the financial responsibility requirements set forth in this regulation.

58-02. Minimum Insurance Coverage. A carrier shall obtain one or more insurance policies securing the public against loss resulting from the carrier's operation, maintenance, or use of a motor vehicle, in the minimum amount specified in this section. Coverage shall remain in effect continuously until terminated. In the case of vehicles insured in compliance with subsection (c), tiered or layered coverage shall be permitted, provided that not more than one policy may be obtained for any one tier or layer. The minimum amount of coverage, by type of vehicle, is as follows:

- (a) Taxicabs:

A taxicab operator shall maintain the minimum insurance coverage required by the operator's licensing authority when engaged in interstate operations subject to this Commission's jurisdiction.

58-10. Replacement of Cancelled, Revoked, or Voluntarily Terminated Endorsement. Once the Commission revokes a WMATC Insurance Endorsement or receives notice of cancellation or an acceptable application for voluntary termination, a carrier must file the necessary replacement WMATC Insurance Endorsement(s) prior to the termination date. Proof a WMATC carrier has satisfied its duty to verify shall consist of contemporaneous written verification from the Commission.

58-12. Automatic Suspension.

(c) Unless a carrier's WMATC operating authority stands suspended for reasons in addition to those triggering automatic suspension under Regulation No. 58-12(a), the Executive Director shall issue a lift-suspension order if the conditions for lifting a suspension under Regulation No. 58-13 are met within the aforementioned 30 days.

(b) Upon the failure of a carrier to comply timely with the foregoing requirements of this Regulation No. 58-14, the Executive Director shall issue an order directing the carrier to show cause why a civil forfeiture should not be assessed against the carrier and/or why the carrier's operating authority should not be suspended or revoked.

Applicant must furnish evidence establishing to the satisfaction of the Commission the carrier's ability to satisfy its obligations for bodily injury, death, and property damage liability without adversely affecting the stability of the carrier or the public interest. Proof of qualification for self-insurance of bodily injury and property damage liability under the Interstate Commerce Act, as determined by the Federal Motor Carrier Safety Administration, together with proof that such qualification remains in effect, shall be deemed prima facie evidence of qualification for self-insurance under the Compact.

as a passenger carrier by motor vehicle to provide coverage in accordance with the limits prescribed in Commission Regulation No. 58-02(c), as follows (CHECK ONE OR MORE AS APPROPRIATE):

This insurance is primary, and the company shall not be liable for amounts in excess of \$ _____ for each accident.

This insurance is excess, and the company shall not be liable for amounts in excess of \$ _____ for each accident in excess of the underlying limit of \$ _____ for each accident.

The Policy identified in this endorsement is an automobile bodily injury and property damage liability policy and is amended to assure compliance by the Insured, as a passenger carrier by motor vehicle, with the Washington Metropolitan Area Transit Regulation Compact (hereinafter Compact) and the pertinent rules and regulations of the Washington Metropolitan Area Transit Commission.

In consideration of the premium stated in the Policy, the Company agrees to pay, within the limits of liability described herein, any final judgment against the Insured for bodily injury or death of a person, or for loss or damage to property of another, resulting from the operation, maintenance, or use of a motor vehicle in performing transportation subject to certification under the Compact, whether or not such motor vehicle is described in the Policy.

It is understood and agreed that no condition, provision, stipulation, or limitation contained in the Policy, or any other endorsement thereon or violation thereof, or of this endorsement, by the Insured, shall relieve the Company from liability or from the payment of any final judgment, irrespective of the financial responsibility or lack thereof or insolvency or bankruptcy of the Insured. However, all terms, conditions, and limitations in the Policy are to remain in full force and effect as binding between the Insured and the Company, and the Insured agrees to reimburse the Company for any payment made by the Company on account of any accident, claim, or suit involving a breach of the terms of the Policy, and for any payment that the Company would not have been obligated to make under the provisions of the Policy except for the agreement contained in this endorsement.

It is understood and agreed that upon failure of the Company to pay any final judgment against the Insured as prescribed herein the judgment creditor may maintain an action in any court of competent jurisdiction against the Company to compel such payment.

The Company's liability for the amounts provided in this endorsement apply separately to each accident, and any payment under the Policy because of any one accident shall not operate to reduce the liability of the Company for the payment of final judgments resulting from any other accident.

The Company hereby agrees to furnish the Commission a copy of the Policy upon request.

Coverage under this WMATC Endorsement shall commence on the effective date specified below and continue until the earlier of: (1) the expiration date specified below; (2) the effective date specified in a notice of cancellation filed with the Commission or thirty (30) days after such notice is received by the Commission, whichever is later; (3) thirty (30) days after receipt by the Commission of an acceptable application from the insured for voluntary termination of WMATC operating authority; (4) thirty (30) days after revocation of this Endorsement by the Commission; or (5) the effective date of a later-executed replacement WMATC Endorsement filed with the Commission and meeting the requirements of Regulation No. 58.
