Definitions

The following definitions reflect the technical interpretation of words and phrases used in this tariff. Wherever such words or phrases are used they are designated by capitalization and/or quotation marks.

"Accommodations" means either (a) additional seats which the "Charter Party" may desire in excess of the number necessary for the actual party for extra convenience or comfort of the party, or (b) additional number of seats (either left in the "Charter Coach" or removed at the request of the "Charter Party") for the storage of baggage or other paraphernalia being carried in the custody of the party.

"Charter Coach" means a unit of motor passenger equipment assigned to the exclusive use of a party or person(s).

"Charter Party" means a person or group of persons who, pursuant to a common purpose, and under a single contract, and

at a fixed charge, have acquired the exclusive use of a passenger carrying motor vehicle to travel together as a group to a specified destination or for a particular itinerary, either agreed upon in advance or modified by the "Charter Party" after having left the "Place of Origin".

"Charter Trip or Charter Movement" means transportation and incidental services furnished by the Carrier in a "Charter Coach" between points authorized in this tariff, beginning at the time and the place for which the "Charter Coach" is ordered and ending at the "Place of Destination".

"Hour" means each sixty (60) minute period, or fraction thereof, beginning at the time the "Charter Coach" is ordered to be at the "Place of Origin" and ending at the time the "Charter Coach" is released by the "Charter Party".

"Day" means each twenty-four (24) hour period beginning at the time the "Charter Coach" is ordered to be at the "Place of Origin" and ending at the time the "Charter Coach" is released by the "Charter Party".

"Place of Origin" means the place where the "Charter Party" orders the "Charter Coach" to be at the start of the "Charter Trip".

"Place of Destination" means the place where the "Charter Coach" is vacated and released by the "Charter Party".

3 **Objectionable Persons**

The Carrier reserves the right to refuse to transport a person or persons under the influence of intoxicating liquor or drugs, or who is incapable of taking care of himself/herself, or whose conduct is such, or is likely to be such, as to make him/her objectionable to other passengers.

4 **Baggage**

Baggage will not be checked. Personal baggage, musical instruments, athletic equipment, and other paraphernalia necessary for the purpose of the "Charter Trip" and limited to

the capacity of the chartered vehicle will be transported in the custody of the "Charter Party" at no additional charge.

5 Animals or Birds

Dogs, cats, and other animals or birds will be carried on "Charter Trips" at the option of the Carrier on the understanding with the "Charter Party" that the Carrier will not be responsible or liable for acts of such animals or birds.

6 Liability

(a) Carrier does not guarantee to arrive at or depart from any point at a specified time, but will endeavor to maintain the schedule submitted by its agents or employees or the "Charter Party".

(b) If any Act of God, public enemies, authority of law, quarantine, perils of navigation, riots, strikes, the hazards or dangers incident to a state of war, accidents, breakdowns, bad conditions of the road, storms, and other conditions beyond its control make it, in the opinion of the Carrier, inadvisable to operate the "Charter Coach" either from the "Place of Origin" or any point enroute, the Carrier will not be liable therefor.

7 Claims

Except as might otherwise be prescribed by law, all claims of whatsoever character must be filed in writing with the Carrier within nine (9) months of the alleged occurrence giving rise to the claim.

8 Damage to Vehicle

Each vehicle assigned for a "Charter Trip" will be in good condition. Any and all damage to the "Charter Coach" caused or occasioned by the "Charter Party" will be the responsibility of the "Charter Party"

9 Application and Collection of Charges

(a) Charges shown in this tariff apply for "Charter Trips" over paved, oiled, macadam roads, or roads over which the

"Charter Coach" can be operated at the time of the "Charter Trip" with safety and without undue wear and tear. When vehicles must travel on unpaved, oiled, or macadam roads which cause undue wear and tear and costly equipment maintenance as the only resource to reach the "Place of Destination", or any point enroute thereto, the Carrier reserves the right to assess charges to the "Charter Party" to compensate the Carrier for increased operating and maintenance costs incurred.

(b) All quotations are subject to the Carrier being able to supply equipment and apply only when proper arrangements have been made for the furnishing of equipment and when the Carrier can properly meet with all the requirements of the City, County, State, National or State Park, Monument, or Reservation through which the "Charter Coach" must pass.

(c) When, for its own convenience, the Carrier furnishes a vehicle of greater capacity or in a higher classification than that ordered by the "Charter Party", charges for the "Charter Trip" will be based on the capacity or classification of the vehicle ordered. Charges will be assessed on the basis of the seating capacity or classification of the vehicle offered at the time the quotation is made.

(d) When the number of passengers in the "Charter Party" varies during the course of the "Charter Trip", the Carrier will assess charges based on the maximum number of passengers in the "Charter Party" at any time during the "Charter Trip".

(e) When the "Charter Trip" is cancelled by the "Charter Party" prior to the departure date and less than two (2) days from the departure date no refund of the deposit will be made by the Carrier. If the "Charter Trip" is cancelled by the "Charter Party" at the time of pickup, a cancellation charge of fifty dollars (\$50), in addition to the deposit, plus any expenses incurred by the Carrier in connection with the "Charter Trip" will be assessed the "Charter Party".

(f) All charges for "Charter Trips" are payable in advance, unless credit is established with the Carrier.

(g) A deposit of one hundred dollars (\$100) of the total charge for the "Charter Trip" is required to reserve the "Charter Coach" for the date of the "Charter Trip"

(h) All charges for a "Charter Trip" must be assessed against and/or collected from the person or organization ordering the "Charter Coach", and will not be prorated and/or collected as fares from the individuals participating in the "Charter Trip".

(i) If, during the course of the "Charter Trip", the "Charter Party" desires to change the routing or duration of the "Charter Trip", charges for the revised "Charter Trip" will be assessed and collected on the basis of the Rates and Charges published in this tariff, plus any additional expenses incurred on the basis of the original charter order. If the Rates and Charges published in this tariff for the revised "Charter Trip" exceed the amount first paid, the difference between that amount and the proper charges as published in this tariff will be collected from the "Charter Party". If the Rates and Charges published in this tariff for the revised "Charter Trip" are less than the amount first paid, the difference between the amount and the proper charges as published in this tariff will be refunded to the "Charter Party".

(j) Refund or credit will be made to the "Charter Party" based on the difference between the payments collected and the charges assessed in accordance with the provisions of this tariff. Such refund or credit will be made only through the General Office of the Carrier.

10

Additional, non-transportation Services

If, at the request of the "Charter Party", the Carrier arranges to provide special equipment and supplies the "Charter Coach" for the convenience, comfort and entertainment of the "Charter Party", or arranges for hotel/motel accommodations, meals, sightseeing, entertainment, or other non-transportation services, all charges involved which are incurred by the Carrier in the provision of these services will be assessed to and collected from the "Charter Party". It is understood that the Carrier assumes no liability for accidents, damages, loss, or non-performance of services on the part of any establishment with

whom arrangements for non-transportation services have been made, and the Carrier's responsibility is limited to the actual transportation services contracted for by the "Charter Party".
