              over existing route to 11th and Pennsylvania

        Applicant proposes to operate two A.M. trips to Washington,
and two P.M. trips to Belair. Two buses will be required to op-
erate the service, and the fares will be in accordance with tariffs
on file with the Commission.

        The applicant is the only carrier presently authorized to
provide service between Belair, Maryland, and Washington, D. C.
However, its existing operating rights do not authorized this
particular route.

        The Commission is of the opinion that an immediate and urgent
need exists for the proposed temporary service, and that one hundred
eighty (180) days temporary authority should be granted.

THEREFORE, IT IS ORDERED:

1.   That WMA Transit Company be, and it is hereby, granted one hundred eighty (180) days temporary authority to establish Route T, Belair Express, as described herein.

2.   That this Order become effective April 4, 1966.
