Application of D. C. Transit ) Application No. 527  
System, Inc., to Increase )  
Retention Under Its Excess )  
Insurance Coverage. )

By Application No. 527, D. C. Transit System, Inc., requests approval to increase from Twenty Thousand Dollars (\$20,000.00) to Thirty Thousand Dollars (\$30,000.00) the retention level under its excess insurance coverage. Transit is an approved self-insurer, maintaining insurance company coverage only above \$20,000.00. By this application, it proposes to increase this ceiling to \$30,000.00. An analysis of the data presented in the application reveals that the proposed modification will produce economies and, at the same time, continue adequate coverage and protection for the public.

The Commission is of the opinion and finds that the public interest will be served by approval of the application.

THEREFORE, IT IS ORDERED that the application of D. C. Transit System, Inc., for authority to change its excess insurance coverage from Twenty Thousand Dollars (\$20,000.00) to Thirty Thousand Dollars (\$30,000.00) be, and it is hereby, granted.
