Commission Regulation No. 60-01 provides that each carrier holding a certificate of authority on the first day of the calendar year shall file an annual report on or before January 31 of that year. Regulation No. 67-02 provides that each carrier holding a certificate of authority on the first day of the calendar year shall pay an annual fee of \$150 on or before January 31 of that year.

Each of the above-captioned carriers (respondents) held a certificate of authority on January 1, 2006. Each failed to comply with Regulation No. 60-01 and/or Regulation No. 67-02 on or before January 31. As a result, each was automatically assessed \$100 or \$200 in late fees pursuant to Regulation No. 67-03, effective February 1.

Regulation No. 60-03 provides that a carrier's operating authority shall stand suspended upon the carrier's failure to file an annual report within ninety days of the due date. Regulation No. 67-04 provides that a carrier's operating authority shall stand suspended upon the carrier's failure to pay an annual fee or late fee within ninety days of the due date.

As of May 3, each respondent had yet to fully comply with Regulation No. 60-01, Regulation No. 67-02, and/or Regulation No. 67-03, as described in the table appended to this order. Accordingly, each respondent's operating authority stands suspended. Each respondent shall have thirty days to fully comply with said regulations or face revocation of its certificate of authority.

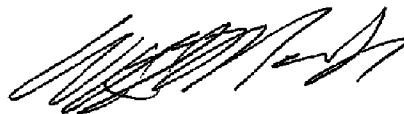

THEREFORE, IT IS ORDERED:

3. That each respondent may file within 15 days from the date of this order a request for oral hearing, specifying the grounds for the request, describing the evidence to be adduced and explaining why such evidence cannot be adduced without an oral hearing.
