Case No. AP-2005-182

By application accepted for filing May 19, 2006, Comfort Transit Inc. seeks to add a seating capacity restriction to Certificate of Authority No. 1184, which was conditionally granted in Order No. 9381, on March 7, 2006, but which has not yet been issued.¹ The restriction would confine applicant's operations to vehicles with a seating capacity of less than 16 persons, including the driver, thereby reducing from \$5 million to \$1.5 million applicant's minimum insurance obligation under Commission Regulation No. 58.

Under Article XI, Section 10(b), of the Compact, the Commission may amend a certificate of authority upon application by the holder. Applicant's vehicle list is comprised solely of vehicles seating 15 or fewer passengers.

The application shall be conditionally granted.

THEREFORE, IT IS ORDERED:

1. That upon applicant's timely compliance with the requirements of Order No. 9381, Certificate of Authority No. 1184 shall be issued, as amended consistent with this order, to Comfort Transit Inc., 16037 Dorset Road, Laurel, MD 20707.

2. That the approval of amendment herein shall be void and the application shall stand denied upon applicant's failure to timely satisfy the conditions of issuance prescribed herein.
