WASHINGTON, DC

ORDER NO. 10,330

IN THE MATTER OF:

Served March 14, 2007

EFFICIENT TRANSPORTATION, INC.,)
Suspension and Investigation of)
Revocation of Certificate No. 836)

Case No. MP-2007-026

Commission Regulation No. 58 requires respondent to insure the revenue vehicles operated under Certificate No. 836 for a minimum of \$1.5 million in combined-single-limit liability coverage and maintain on file with the Commission at all times proof of coverage in the form of a WMATC Certificate of Insurance and Policy Endorsement (WMATC Insurance Endorsement) for each policy comprising the minimum.

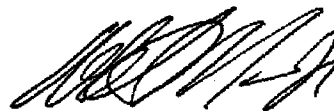

Order No. 10,267, served February 1, 2007, revoked the \$1.5 million primary WMATC Insurance Endorsement on file for respondent effective March 6, 2007. The order directed respondent to file on or before March 5, 2007, one or more replacement WMATC Insurance Endorsements showing the coverage required by Regulation No. 58 and a current certificate of good standing issued by respondent's home jurisdiction. The order noted that Certificate No. 836 would stand suspended upon respondent's failure to comply.

Respondent failed to timely comply, and Certificate No. 836 became suspended on March 6, 2007, as a result.

Respondent, a District of Columbia corporation, subsequently filed a current certificate of good standing from the District of Columbia Department of Consumer and Regulatory Affairs on March 7, 2007, and a new \$1.5 million primary WMATC Insurance Endorsement on March 12, 2007. Accordingly, the suspension is lifted and this investigation is terminated.

IT IS SO ORDERED.
