Applicant proposes commencing operations with two sedans and two vans. Applicant proposes operating under a tariff containing rates for Medicaid transportation and rates for transportation under contracts with government agencies.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by
