ORDER NO. 12,641

IN THE MATTER OF: Served December 1, 2010

INDIVIDUAL DEVELOPMENT, INC., WMATC)   Case No. MP-2010-007
No. 324, Investigation of Violation)
of Regulation No. 61 and Operation)
of Unsafe Vehicles   )

      This proceeding was initiated in Order No. 12,300 on February 2, 2010, for the purpose of investigating respondent's failure to display its name on its WMATC vehicles in accordance with Regulation No. 61. The investigation also was initiated to confirm respondent's compliance with Article XI, Section 5(a), of the Compact requiring carriers to provide safe and adequate transportation service, equipment, and facilities. Respondent was directed to file a vehicle list, registration cards, and safety inspection certificates and produce all vehicles for inspection by Commission staff.

      In response, respondent produced a Commission letter dated February 1, 1996, granting respondent a partial waiver of Regulation No. 61, relieving respondent of the obligation to display its name on its WMATC vehicles. The Commission subsequently revoked the waiver in Order No. 12,424, served June 2, 2010, citing the 2003 revocation of a similar waiver granted to a similar carrier. At the same time, the Commission approved respondent's application to add the trade name "IDI" to Certificate No. 324, subject in part to the condition that respondent comply with the document and vehicle production requirements in the initial order in this proceeding on or before November 29.

      Respondent thereafter timely produced all documents and vehicles, staff confirmed that all vehicles had passed a safety inspection within the past twelve months and that all vehicles were in compliance with Regulation No. 61, and an amended Certificate No. 324 was issued November 30, 2010, with respondent's new trade name.

      Respondent having timely complied with Order No. 12,424, this proceeding stands terminated.

      IT IS SO ORDERED.
