Applicant formerly held WMATC Certificate No. 1683 under the name Home Health Transportation Services, LLC. remained unissued, and the period of probation accordingly did not commence.

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

There is no evidence in this record to disturb the Commission's previous findings of fitness in the 2013 and 2015 applications.

Accordingly, based on the evidence in this record, and in consideration of the terms of probation and other conditions prescribed herein, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

In closing, applicant is cautioned that under Regulation No. 66-01, an applicant which has three successive conditional grants voided for failure to satisfy the conditions for issuance of operating authority within 180 days shall be barred from reapplying for a period of one year as measured from the end of the third 180-day period.

THEREFORE, IT IS ORDERED:

1. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 1683 shall be reissued to Ring & Ride, LLC, 3 Bethesda Metro Center, #700, Bethesda, MD 20814-6300.

2. That applicant may not transport passengers for hire between points in the Metropolitan District pursuant to this order unless and until Certificate No. 1683 has been reissued in accordance with the preceding paragraph.

3. That applicant is hereby directed to file the following documents and present its revenue vehicle(s) for inspection within the

180-day maximum permitted in Commission Regulation No. 66: (a) evidence of insurance pursuant to Commission Regulation No. 58; (b) an original and four copies of a tariff or tariffs in accordance with Commission Regulation No. 55; (c) a vehicle list stating the year, make, model, serial number, fleet number, license plate number (with jurisdiction) and seating capacity of each vehicle to be used in revenue operations; (d) a copy of the for-hire vehicle registration card, and a lease as required by Commission Regulation No. 62 if applicant is not the registered owner, for each vehicle to be used in revenue operations; and (e) proof of current safety inspection of said vehicle(s) by or on behalf of the United States Department of Transportation, the State of Maryland, the District of Columbia, or the Commonwealth of Virginia.

4. That applicant shall be placed on probation for a period of one year commencing with the issuance of Certificate No. 1683 in accordance with the terms of this order and that a willful violation of the Compact, or of the Commission's rules, regulations or orders thereunder, by applicant during the period of probation shall constitute grounds for immediate suspension and/or revocation of applicant's operating authority without further proceedings, regardless of the nature and severity of the violation.

5. That the grant of authority herein shall be void and the application shall stand denied upon applicant's failure to timely satisfy the conditions of issuance prescribed herein.
