Case No. AP-2016-016

This matter is before the Commission on applicant's request for reconsideration of the voiding of authority conditionally granted in Commission Order No. 16,216, served February 19, 2016. The order directed applicant to present its vehicle(s) for inspection and file certain documents within the 180-day maximum permitted by Commission Regulation No. 66. The order stipulated that the grant of authority would be void and that the application would stand denied upon applicant's failure to timely satisfy those conditions. Applicant did not fully satisfy the conditions of the grant within the allotted time. The conditional grant consequently became void on August 18, 2016.

Under Rule No. 27-06, the voiding of a conditional grant of authority pursuant to Regulation No. 66 is subject to reconsideration and deemed to occur on the 181st day following issuance of the conditional grant. In the event a conditional grant of authority becomes void under Regulation No. 66, the Commission's Executive Director may reopen the proceeding under Rule No. 26-05 and issue said authority if the applicant timely files an application for reconsideration and satisfies the conditions of issuance on or before the deadline for requesting reconsideration.

The deadline for requesting reconsideration in this proceeding is September 19, 2016. Applicant timely filed a request for reconsideration on August 31, 2016, and has substantially satisfied the conditions of the grant.

THEREFORE, IT IS ORDERED that this proceeding is reopened, and Certificate of Authority No. 2870 shall be issued to My Dream Tour LLC, 2810 Shipley Terrace, S.E., #101, Washington, DC, 20020-1813.
