Case No. AP-2018-115

By email dated June 8, 2018, applicant was notified of acceptance of its application for a certificate of authority and directed to furnish additional information no later than June 22, 2018, including a "a copy of a lease or utility bill evidencing applicant's right to maintain an office at 2010 Corporate Ridge, #700, McLean, VA 22102-7838." The email cautioned applicant that failure to timely furnish the information would result in delay or dismissal of the application. Applicant responded by submitting an "Online Virtual Office Agreement" with Regus Management Group, LLC, for the specified address, which includes the description "Virtual Office Type: Mailbox Plus." The agreement expressly incorporates certain terms and conditions, which applicant did not submit. The portion of the agreement that was submitted does not purport to establish applicant's right to maintain an office at the location in question.

Under the Compact, an application to obtain a certificate of authority shall be made in writing, verified, and shall contain the information required by the application form and accompanying instructions.¹ An applicant may be required to publish notice of the application in a newspaper of general circulation in the Metropolitan District and furnish any supplemental information necessary for a full and fair determination of the application.² Failure to comply with the Commission's application requirements warrants dismissal.³

THEREFORE, IT IS ORDERED: that the application of JWE Group, Inc., for a certificate of authority is hereby dismissed without prejudice for want of prosecution.
