Application of TRANZ TRANSPORTATION )

of Authority -- Irregular Route )  
Operations )

Case No. AP-2018-174

Applicant seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District, restricted to transportation in vehicles with a seating capacity of less than 16 persons only, including the driver. The application is unopposed.

This is the second application filed by applicant's owners, Johnson Anthony Akarolo and Ugochukwu Osoh. The first was filed on behalf of Tranz Holding, Inc., trading as Tranz Transportation Services. The Commission conditionally approved the first application in Order No. 17,729, served July 17, 2018, and assigned applicant WMATC Certificate No. 3195, but the application was later withdrawn before the certificate was issued.<sup>1</sup> During the course of this proceeding, applicant's owners caused Tranz Holding, Inc., to cancel its Tranz Transportation Services trade name.

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.
