

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

SILVER SPRING, MARYLAND

ORDER NO. 18,277

IN THE MATTER OF:

Served July 19, 2019

Application of WHOLISTIC)
TRANSPORTATION LLC for a) Case No. AP-2019-083
Certificate of Authority --)
Irregular Route Operations)

Applicant seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District, restricted to transportation in vehicles with a seating capacity of less than 16 persons only, including the driver. The application is unopposed.

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

Normally, such evidence would establish an applicant's fitness, but this applicant's president, Benneth Ifeanyichuk Ekwe, has a history of regulatory violations.

I. HISTORY OF VIOLATIONS

Mr. Ekwe held WMATC Certificate of Authority No. 1153 from August 10, 2006, until November 29, 2007, when it was revoked for failure to maintain a WMATC Insurance Endorsement on file with the Commission as required by Regulation No. 58 and for failure to pay a \$50 late insurance fee.¹

II. LIKELIHOOD OF FUTURE COMPLIANCE

When an applicant or a person controlling an applicant has a record of violations, or a history of controlling companies with such a record, the Commission considers the following factors in assessing the likelihood of applicant's future compliance: (1) the nature and extent of the violations, (2) any mitigating circumstances, (3) whether the violations were flagrant and persistent, (4) whether the controlling party has made sincere efforts to correct past mistakes, and (5) whether the controlling party has demonstrated a willingness and ability to comport with the Compact and rules and regulations thereunder in the future.²

Mr. Ekwe's failure to maintain compliance with Regulation No. 58 and failure to pay the late insurance fee warranted revocation of Certificate No. 1153. On the other hand, while this proceeding was pending, Mr. Ekwe paid the outstanding \$50 late insurance fee owed to the Commission when Certificate No. 1153 was revoked. There is no evidence of post-suspension operations in the record.

The Commission has found other applicants fit under similar circumstances.³ Applicant shall serve a one year period of probation as a means of ensuring prospective compliance.⁴

III. CONCLUSION

Based on the evidence in this record, and considering the terms of probation and other conditions prescribed herein, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

THEREFORE, IT IS ORDERED:

1. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 1153 shall be issued to Wholistic Transportation LLC, 1309 Northern Lights Drive, Upper Marlboro, MD 20774-6056.

5. That the grant of authority herein shall be void and the application shall stand denied upon applicant's failure to timely satisfy the conditions of issuance prescribed herein.
