I. REINSTATEMENT

Under Regulation No. 58-15(b), if a carrier's authority is revoked for failure to comply with Regulation No. 58, or an order issued thereunder, the Executive Director shall reopen the proceeding and reinstate said authority if the following two conditions are met: (i) the carrier files a timely application for reconsideration in accordance with Rule No. 27; and (ii) the application is supported by the necessary Endorsement(s) and by payment of the late fee under Regulation No. 67-03(c); provided, that reinstatement shall not be available if the carrier's WMATC operating authority stands revoked for other reasons, as well.

Respondent's request was filed within the 30-day deadline established for seeking reconsideration under Rule No. 27; the request is supported by the necessary Endorsement(s) and by payment of the late fee under Regulation No. 67-03(c); and Certificate No. 1500 does not stand revoked for any other reason. In accordance with Regulation No. 58-14(a), respondent will be directed to submit a statement verifying cessation of operations as of November 19, 2019. The statement shall be corroborated by copies of respondent's pertinent business records and by a written statement from Medical Transportation Management, Inc., one of respondent's principal clients.
