Application No. 760

By Application No. 760, filed February 16, 1972, WMA Transit Company (WMA) seeks temporary authority to operate Route T-1 Express between Washington, D. C. and the Pointer Ridge area of Bowie, Maryland.

WMA bases its application on a detailed transit survey of the Pointer Ridge, Amber Meadows and Heather Hills sections of Bowie conducted by a local citizens committee. That survey does indicate an immediate need in this rapidly growing suburban section of the Metropolitan District for the service proposed by WMA. WMA proposes to operate immediately two rush hour round trips, with future adjustments to be made as necessary. The application has received support from both the City of Bowie and members of the general public.

THEREFORE, IT IS ORDERED that effective April 17, 1972, WMA Transit Company be, and it is hereby, granted one hundred eighty (180) day temporary authority to operate Route T-1 Express as applied for in Application No. 760.
