Under the Compact, an application to obtain a certificate of authority shall be made in writing, verified, and shall contain the information required by the application form and accompanying instructions.¹ An applicant may be required to furnish any supplemental information necessary for a full and fair examination of the application.² Failure to comply with the Commission's application requirements warrants dismissal.³

seating capacity of less than 16 persons only, including the driver. The application is unopposed.

Applicant's sole owner, Ifeanyi Ezenagu, previously served as president of Kings Transport LLC. Kings Transport was granted operating authority last year, but the issuance of a certificate of authority was expressly made contingent on Kings Transport filing additional documents and passing a vehicle inspection conducted by Commission staff.⁵ Before those conditions were met and a certificate of authority was issued, Kings Transport withdrew its application.⁶

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

Based on the evidence in this record, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

THEREFORE, IT IS ORDERED:

1. That this proceeding is hereby reopened under Commission Rule No. 26.

2. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 3416 shall be issued to Kings Touch Inc., trading as Kings Touch Transportation, 13711 Annapolis Road, #104B, Bowie, MD 20720-3842.

3. That applicant may not transport passengers for hire between points in the Metropolitan District pursuant to this order unless and

until a certificate of authority has been issued in accordance with the preceding paragraph.

4. That applicant is hereby directed to file the following documents and present its revenue vehicle(s) for inspection within the 180-day maximum permitted in Commission Regulation No. 66: (a) evidence of insurance pursuant to Commission Regulation No. 58; (b) an original and four copies of a tariff or tariffs in accordance with Commission Regulation No. 55; (c) a vehicle list stating the year, make, model, serial number, fleet number, license plate number (with jurisdiction) and seating capacity of each vehicle to be used in revenue operations; (d) a copy of the for-hire vehicle registration card, and a lease as required by Commission Regulation No. 62 if applicant is not the registered owner, for each vehicle to be used in revenue operations; and (e) proof of current safety inspection of said vehicle(s) by or on behalf of the United States Department of Transportation, the State of Maryland, the District of Columbia, or the Commonwealth of Virginia.
