SILVER SPRING, MARYLAND

ORDER NO. 19,427

IN THE MATTER OF:

Served July 12, 2021

Application of AFFINITY AIRPORT            )  
SEDAN INC. for a Certificate of            )  
Authority -- Irregular Route            )  
Operations                                    )

Case No. AP-2021-051

Applicant seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District, restricted to transportation in vehicles with a seating capacity of less than 16 persons only, including the driver. The application is unopposed.

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

Normally, such evidence would establish an applicant's fitness, but this applicant has a history of regulatory violations.

**I. HISTORY OF VIOLATIONS**

Applicant held WMATC Certificate of Authority No. 2123 from April 29, 2013, to October 27, 2020, when it was revoked for applicant's failure to comply with the Commission's carrier annual report and annual fee requirements and failure to pay associated late fees.<sup>1</sup> The revocation order directed applicant to surrender its certificate and account for its vehicle markings within 30 days and also noted that the 2020 annual

report, the unpaid \$175 annual fee for 2020, and \$300 in associated late fees would remain due. Applicant did not comply.

## **II. LIKELIHOOD OF FUTURE COMPLIANCE**

When an applicant has a record of violations, the Commission considers the following factors in assessing the likelihood of applicant's future compliance: (1) the nature and extent of the violations, (2) any mitigating circumstances, (3) whether the violations were flagrant and persistent, (4) whether applicant has made sincere efforts to correct past mistakes, and (5) whether applicant has demonstrated a willingness and ability to comport with the Compact and rules and regulations thereunder in the future.<sup>2</sup>

Applicant's failure to comply with Regulation Nos. 60 and 67 warranted revocation of Certificate No. 2123, and applicant's failure to respond to the revocation order by surrendering Certificate No. 2123 and confirming removal of vehicle markings persisted for several weeks. On the other hand, applicant belatedly filed a 2020 annual report, paid the outstanding fees, submitted a notarized affidavit and supporting photographs evidencing removal of WMATC markings from applicant's vehicles, and surrendered Certificate No. 2123. There is no evidence in the record of post-suspension or post-revocation operations within the Metropolitan District, or other unauthorized operations.

The Commission has found other applicants fit under similar circumstances.<sup>3</sup> Applicant shall serve a 1-year period of probation as a means of ensuring prospective compliance.<sup>4</sup>

## **III. CONCLUSION**

Based on the evidence in this record, and considering the terms of probation and other conditions prescribed herein, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

THEREFORE, IT IS ORDERED:

1. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 2123 shall be issued to Affinity Airport Sedan Inc., 10318 Strathmore Hall Street, #107, North Bethesda, MD 20852-6641.

5. That the grant of authority herein shall be void and the application shall stand denied upon applicant's failure to timely satisfy the conditions of issuance prescribed herein.
