FESCUM, INC, Suspension and)
Investigation of Revocation of)
Certificate No. 3171)

Case No. MP-2022-024

Commission Regulation No. 58 requires respondent to insure the revenue vehicles operated under Certificate No. 3171 for a minimum of \$1.5 million in combined-single-limit liability coverage and maintain on file with the Commission at all times proof of coverage in the form of a WMATC Certificate of Insurance and Policy Endorsement (WMATC Insurance Endorsement) for each policy comprising the minimum.

The \$1 million primary and \$5 million excess WMATC Insurance Endorsements on file for respondent terminated at 12:01 a.m. on May 20, 2022, without replacement. As a result, Certificate No. 3171 was automatically suspended under Regulation No. 58-12, and a \$100 late insurance fee became due and payable under Regulation No. 67-03(c), as noted in Order No. 19,772, served May 20, 2022.

Respondent filed acceptable \$1 million primary and \$5 million excess WMATC Insurance Endorsements later that same day, and respondent's insurance broker tendered a \$100 check on respondent's behalf on June 16, 2022. In addition, respondent's sole revenue vehicle, which was ordered out of service pursuant to Regulation No. 64-05 on June 8, 2022, after respondent failed to present it for inspection by Commission staff as directed, passed an inspection on July 22, 2022. Accordingly, respondent will receive written notice stating that its vehicle may be returned to service, the suspension is lifted in accordance with Regulation No. 58-13, and this investigation is terminated.

IT IS SO ORDERED.
