

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

SILVER SPRING, MARYLAND

ORDER NO. 19,944

IN THE MATTER OF:

Served October 24, 2022

Application of YOU-GO)
TRANSPORTATION LLC for a) Case No. AP-2022-133
Certificate of Authority --)
Irregular Route Operations)

Applicant seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District, restricted to transportation in vehicles with a seating capacity of less than 16 persons only, including the driver. The application is unopposed.

This is the fifth application filed by this applicant. The first three applications were approved in 2018, 2019, and 2020, respectively, but in each case, the issuance of a certificate of authority was expressly made contingent on applicant filing additional documents and passing a vehicle inspection conducted by Commission staff.¹ Each time applicant failed to satisfy the conditions for issuance of operating authority within the time allotted, thereby voiding the Commission's approval.²

The fourth application was rejected in 2021 as barred by operation of Regulation No. 66-01 which provides: "An applicant which has three successive conditional grants voided under this regulation shall be barred from reapplying for a period of one year as measured from the end of the third 180-day period." The one-year bar ended June 8, 2022. This application was submitted on September 29, 2022, and thus is not barred by Regulation No. 66-01.

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

¹ See *In re You-Go Transp. LLC*, No. AP-18-189, Order No. 17,911 (Nov. 15, 2018) (conditionally granting Certificate No. 3237); *In re You-Go Transp. LLC*, No. AP-19-117, Order No. 18,359 (Sept. 12, 2019) (same); *In re You-Go Transp. LLC*, No. AP-20-176, Order No. 19,172 (Dec. 8, 2020) (same).

² See Order Nos. 17,911, 18,359, & 19,172 (grant of authority void upon applicant's failure to timely satisfy conditions of issuance); Commission Regulation No. 66-01 (failure to comply with conditions of grant within 180 days voids approval).

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

Based on the evidence in this record, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

In closing, it is noted that in the event applicant fails to successfully obtain a certificate of authority in this proceeding the one-year bar in Regulation No. 66-01 would apply again.³

THEREFORE, IT IS ORDERED:

1. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 3237 shall be issued to You-Go Transportation LLC, 4702 6th Place, N.E., Washington, DC 20017-2319.

2. That applicant may not transport passengers for hire between points in the Metropolitan District pursuant to this order unless and until a certificate of authority has been issued in accordance with the preceding paragraph.

3. That applicant is hereby directed to file the following documents and present its revenue vehicle(s) for inspection within the 180-day maximum permitted in Commission Regulation No. 66: (a) evidence of insurance pursuant to Commission Regulation No. 58; (b) an original and four copies of a tariff or tariffs in accordance with Commission Regulation No. 55; (c) a vehicle list stating the year, make, model, serial number, fleet number, license plate number (with jurisdiction) and seating capacity of each vehicle to be used in revenue operations; (d) a copy of the for-hire vehicle registration card, and a lease as required by Commission Regulation No. 62 if applicant is not the registered owner, for each vehicle to be used in revenue operations; and (e) proof of current safety inspection of said vehicle(s) by or on behalf of the United States Department of Transportation, the State of Maryland, the District of Columbia, or the Commonwealth of Virginia.

³ See *In re Roll Right LLC*, No. AP-21-166, Order No. 19,677 (Jan. 24, 2022) (1-year bar in Regulation No. 66-01 applies again after a fourth voided conditional grant).

4. That the grant of authority herein shall be void and the application shall stand denied upon applicant's failure to timely satisfy the conditions of issuance prescribed herein.
