

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

SILVER SPRING, MARYLAND

ORDER NO. 20,279

IN THE MATTER OF:

Served July 12, 2023

Application of AMADEUS ROYAL)
LIMOUSINE, INC., for a Certificate) Case No. AP-2023-118
of Authority -- Irregular Route)
Operations)

Applicant seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District, restricted to transportation in vehicles with a seating capacity of less than 16 persons only, including the driver. The application is unopposed.

This is the third application filed by this applicant. Applicant was granted operating authority in 2021, but the issuance of a certificate of authority was expressly made contingent on applicant filing additional documents and passing a vehicle inspection conducted by Commission staff.¹ Applicant failed to satisfy the conditions for issuance of operating authority within the time allotted, thereby voiding the Commission's approval.² Applicant reapplied for operating authority earlier this year, but the application was dismissed without prejudice for want of prosecution.³

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission

² See *id.* (grant of authority void upon applicant's failure to timely satisfy conditions of issuance); Commission Regulation No. 66-01 (failure to comply with conditions of grant within 180 days voids approval).

regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

Based on the evidence in this record, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant's owner, Jesus Rodriguez, is the father of Michael Rodriguez, the owner of DC NY Tours LLC, which has applied for a certificate of authority in Case No. AP-2023-124. A presumption of common control arises where an officer of one carrier is closely related to an officer of another carrier.⁴ Applicant is admonished to keep its assets, books, finances and operations completely separate from those of DC NY Tours LLC. Sharing of office space will be allowed, but this should not be construed as permission to share revenue vehicles or operating authority.⁵

This uncontested application does not present any issues for consideration under the merger and acquisition standards of Article XII, Section 3, of the Compact.⁶

THEREFORE, IT IS ORDERED:

1. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 3451 shall be issued to Amadeus Royal Limousine, Inc., 2914 Kings Chapel Road, #14, Falls Church, VA 22042-1154.

2. That applicant may not transport passengers for hire between points in the Metropolitan District pursuant to this order unless and until a certificate of authority has been issued in accordance with the preceding paragraph.

3. That applicant is hereby directed to file the following documents and present its revenue vehicle(s) for inspection within the 180-day maximum permitted in Commission Regulation No. 66: (a) evidence
