Served September 25, 2023

Application of DRIVING MOMS & DADS )  
LLC for a Certificate of Authority )  
-- Irregular Route Operations )

Case No. AP-2023-106

This matter is before the Commission on applicant's response to Order No. 20,230, served June 2, 2023, which dismissed this proceeding for applicant's failure to comply with the Commission's application requirements. Applicant has filed a request to reopen this proceeding.

**I. CAUSE FOR DISMISSAL AND GROUNDS FOR REOPENING**

Under the Compact, an application to obtain a certificate of authority shall be made in writing, verified, and shall contain the information required by the application form and accompanying instructions.<sup>1</sup> An applicant may be required to furnish any supplemental information necessary for a full and fair examination of the application.<sup>2</sup> Failure to comply with the Commission's application requirements warrants dismissal.<sup>3</sup>

By email sent May 16, 2023, applicant was required to furnish supplemental information on or before May 30, 2023, pursuant to Commission Regulation No. 54-04(b). Applicant failed to respond. Accordingly, the application was dismissed June 2, 2023.

On June 12, 2023, applicant filed a request to reopen this proceeding. The request is accompanied by the required information. For good cause shown, this proceeding shall be reopened under Commission Rule No. 26.<sup>4</sup>

**II. APPLICATION**

Applicant seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District, restricted to transportation in vehicles with a seating capacity of less than 16 persons only, including the driver. The application is unopposed.

<sup>1</sup> Compact, tit. II, art. XI, § 8; Regulation No. 54-02.

<sup>2</sup> Regulation No. 54-04(b).

<sup>4</sup> See *In re Abdelrazig Hassan Shawkat*, No. AP-13-076, Order No. 13,865 (Apr. 12, 2013) (same).

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

Normally, such evidence would establish an applicant's fitness, but this applicant has a history of regulatory violations.

#### **A. HISTORY OF VIOLATIONS**

Applicant previously held Certificate No. 1606 from May 30, 2014, until May 5, 2022, when it was revoked for applicant's failure to comply with the Commission's insurance requirements in Regulation No. 58 and pay a \$100 late insurance fee.<sup>5</sup>

The revocation order, Order No. 19,763, noted that the \$100 late fee would remain due and gave applicant 30 days to: (1) remove from its vehicles the identification placed thereon pursuant to Commission Regulation No. 61; (2) file a notarized affidavit with the Commission verifying removal; and (3) surrender Certificate No. 1606 to the Commission. Applicant did not comply.

Prior to the events in 2022, Certificate No. 1606 was suspended one other time for insurance violations.<sup>6</sup>

#### **B. LIKELIHOOD OF FUTURE COMPLIANCE**

When an applicant has a record of violations, the Commission considers the following factors in assessing the likelihood of applicant's future compliance: (1) the nature and extent of the violations, (2) any mitigating circumstances, (3) whether the violations were flagrant and persistent, (4) whether applicant has made sincere efforts to correct past mistakes, and (5) whether applicant has

demonstrated a willingness and ability to comport with the Compact and rules and regulations thereunder in the future.<sup>7</sup>

Applicant's failure to maintain compliance with Regulation No. 58 and failure to pay the late insurance fee warranted revocation of Certificate No. 1606, and applicant's failure to respond to the revocation order persisted for more than one year. On the other hand, while this application was pending, applicant paid the outstanding \$100 insurance late fee, submitted a notarized affidavit and supporting photographs evidencing removal of WMATC markings from applicant's vehicles, and submitted a signed statement explaining that Certificate No. 1606 cannot be located. There is no evidence in the record of post-suspension or post-revocation operations within the Metropolitan District, or other unauthorized operations.

The Commission has found other applicants fit under similar circumstances.<sup>8</sup> Applicant shall serve a 1-year period of probation as a means of ensuring prospective compliance.<sup>9</sup>

### **III. CONCLUSION**

Based on the evidence in this record, and considering the terms of probation and other conditions prescribed herein, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

THEREFORE, IT IS ORDERED:

1. That this proceeding is hereby reopened under Commission Rule No. 26.
2. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 1606 shall be issued to Driving Moms & Dads LLC, 9616 Woodberry Street, Lanham, MD 20706-3608.
3. That applicant may not transport passengers for hire between points in the Metropolitan District pursuant to this order unless and until a certificate of authority has been issued in accordance with the preceding paragraph.

5. 6. That the grant of authority herein shall be void and the application shall stand denied upon applicant's failure to timely satisfy the conditions of issuance prescribed herein.
