SILVER SPRING, MARYLAND

ORDER NO. 20,862

IN THE MATTER OF:

Served August 8, 2024

Application of JASON TOURS & )  
LIMOUSINE, LLC, for a Certificate )  
of Authority -- Irregular Route )  
Operations )

Case No. AP-2024-132

Applicant seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District, restricted to transportation in vehicles with a seating capacity of less than 16 persons only, including the driver. The application is unopposed.

This is the fifth application filed by this applicant. Applicant first applied for operating authority in 2013, but the application was dismissed without prejudice for want of prosecution.<sup>1</sup> Applicant applied again in February 2017, but the application was rejected because it was incomplete. Applicant filed a third application in March 2017 and was granted operating authority that year, but the issuance of a certificate of authority was expressly made contingent on applicant filing additional documents and passing a vehicle inspection conducted by Commission staff.<sup>2</sup> Applicant failed to satisfy the conditions for issuance of operating authority within the time allotted, thereby voiding the Commission's approval.<sup>3</sup> Applicant reapplied for operating authority in 2021, but that application was also dismissed without prejudice for want of prosecution.<sup>4</sup>

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

<sup>2</sup> *See In re Jason Tours & Limo., LLC*, No. AP-17-048, Order No. 16,931 (Apr. 7, 2017) (conditionally granting Certificate No. 3014).

<sup>3</sup> *See id.* (grant of authority void upon applicant's failure to timely satisfy conditions of issuance); Commission Regulation No. 66-01 (failure to comply with conditions of grant within 180 days voids approval).

<sup>4</sup> *In re Jason Tours & Limo., LLC*, No. AP-21-131, Order No. 19,612 (Nov. 15, 2021).

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

Based on the evidence in this record, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

THEREFORE, IT IS ORDERED:

1. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 3014 shall be issued to Jason Tours & Limousine, LLC, 5908 Chris Mar Avenue, Clinton, MD 20735-2313.

2. That applicant may not transport passengers for hire between points in the Metropolitan District pursuant to this order unless and until a certificate of authority has been issued in accordance with the preceding paragraph.

4. That the grant of authority herein shall be void and the application shall stand denied upon applicant's failure to timely satisfy the conditions of issuance prescribed herein.
