

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, D.C.

ORDER NO. 2887

IN THE MATTER OF:

Served July 23, 1986

Application of THOMAS A. PICKENS)
to Transfer Certificate No. 47 to)
P&T TRANSPORTATION CO., INC.)

Case No. AP-86-15

By Order No. 2854, served May 7, 1986, and incorporated herein, transferor Thomas A. Pickens was required to publish notice of this application in a newspaper, to file an affidavit of publication, and to file a current balance sheet and supporting schedules. Mr. Pickens complied with these requirements. Protests or requests for hearing, if any, were to be filed no later than May 30, 1986. There were none.

This matter is before us pursuant to Title II, Article XII, Section 4(h) of the Compact which provides that a certificate may be transferred if the Commission finds such transfer to be consistent with the public interest.

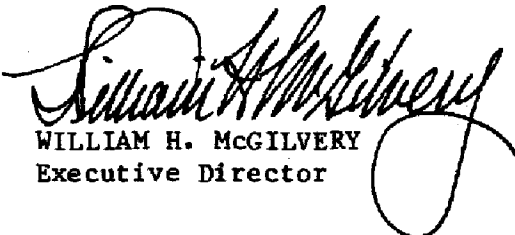

Transferor is a sole proprietor; transferee is a District of Columbia corporation wholly controlled by Mr. Pickens and his family. In this situation certain elements of a transfer application such as dormancy of rights, operational fitness, compliance fitness, and change of competitive balance are hardly at issue. In any event, we resolve these favorably. We further find that the financial position of the transferee is adequate. The transfer agreement will have no influence on rates. We find that the requested transfer of Certificate of Public Convenience and Necessity No. 47 is consistent with the public interest.

THEREFORE, IT IS ORDERED:

1. That the application of Thomas A. Pickens to transfer Certificate of Public Convenience and Necessity No. 47 to P&T Transportation Co., Inc., is hereby granted.
2. That an appropriate certificate of insurance in conformance with Commission Regulation No. 62 shall be filed naming P&T Transportation Co., Inc. as the insured.
3. That P&T Transportation Co., Inc., shall file within 30 days of the date of service of this order appropriate documentation indicating that it owns the vehicles shown on the equipment list attached to its application or, in the alternative, appropriate leases covering those vehicles that are not owned by P&T Transportation Co., Inc.

4. That upon timely compliance with the two preceding paragraphs, an appropriately revised Certificate of Public Convenience and Necessity No. 47 will be issued in the name of P&T Transportation Co., Inc.

BY DIRECTION OF THE COMMISSION; COMMISSIONERS WORTHY, SCHIFTER, AND SHANNON:

WILLIAM H. MCGILVERY
