WASHINGTON, D.C.

ORDER NO. 2893

IN THE MATTER OF:

Served August 11, 1986

Application of ELEVEN AMERICANS)
TRANSPORT ENTERPRISE, INC., for a)
Certificate of Public Convenience)
and Necessity to Conduct Special)
Operations)

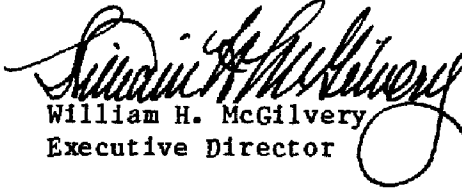

Case No. AP-86-11

At the request of Eleven Americans Transport Enterprise, Inc., the above-captioned case, originally scheduled for public hearing to commence June 19, 1986, was continued to July 10, 1986. At the July 10th hearing applicant requested a second continuance in order that discussions might be pursued with protestants. This was the same reason advanced by applicant when it sought a postponement of the June 19th hearing. The Administrative Law Judge denied the motion. However, following an off-the-record discussion in which it was revealed that applicant had failed to define accurately the territories sought to be served, a continuance was granted pending further order of the Commission. Counsel for applicant requested that the continuance be for a period at least three weeks, stating, "I would first like to spend some time with the Commission to go over the full application. Mr. Howard [applicant's president] has taken considerable time to do that heretofore. There are many things with respect to the application that need very, very hard attention."

More than thirty days have passed. During that time applicant has neither supplemented its application nor contacted the Commission or its staff. This matter is hereby rescheduled for public hearing to commence Thursday, September 11, 1986, at 9:30 a.m. in the Hearing Room of the Commission, 1625 I Street, N.W., Room 314, Washington, D.C. 20006.

IT IS SO ORDERED.

FOR THE COMMISSION:

William H. McGilvery
Executive Director
