Case No. AP-89-32

By motion filed June 11, 1990, Videovue International, Ltd., trading as Videovue Tours (Videovue) seeks to extend the period for compliance with Order No. 3442, served December 20, 1989, for an additional 30 days. In support of its request, Videovue states that it is in the process of retitling its vehicles and has been advised that new titles for the vehicles would not be forthcoming for, at least, another 30 days. Videovue believes the new titles are necessary for compliance with Order No. 3442.

Upon consideration of Videovue's motion for extension of time, it is found that good cause has been shown.

THEREFORE, IT IS ORDERED that the time for compliance with the requirements of Order No. 3442, served December 20, 1989, is hereby extended through Friday, July 20, 1990.
