Case No. MP-95-82

On February 27, 1996, in Order No. 4774, the Commission assessed a civil forfeiture against respondents in the amount of \$1,150 for knowing and willful violations of the Compact. Respondents were ordered to pay that amount within thirty days, and the president/sole shareholder of respondent Presidential Limousine Service was directed to show cause within thirty days why he should not be required to disassociate himself from Presidential Coach and All-Star Presidential.

On March 28, respondent Presidential Limousine requested a thirty-day extension of the payment deadline on the ground that its current cash flow suffers from a reduced demand for services in recent months. On April 1, 1996, in response to the show-cause order, Presidential Limousine's president filed a copy of Presidential Coach's Articles of Dissolution, which are effective December 31, 1995.

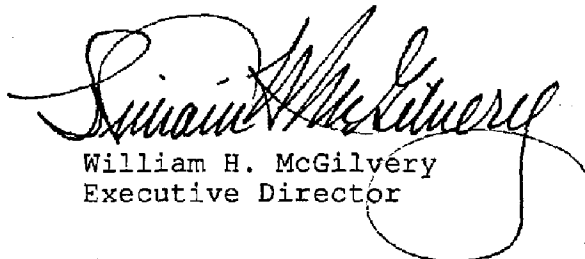

A thirty-day extension of the payment deadline will be granted for good cause shown, on the condition that, within the same thirty days, respondents submit proof that Presidential Coach's Articles of Dissolution have been received and accepted by the DC Department of Consumer and Regulatory Affairs.

THEREFORE, IT IS ORDERED:

1. That on or before April 29, 1996, respondents shall pay -- by money order, certified check, or cashiers check -- the civil forfeiture assessed in Order No. 4774.

2. That on or before April 29, 1996, respondents shall submit proof that Presidential Coach's Articles of Dissolution have been received and accepted by the DC Department of Consumer and Regulatory Affairs.
