Case No. MP-98-53

On September 22, 1999, the Commission issued Order No. 5707 requiring the corporate respondents to present their vehicles for inspection within thirty days.

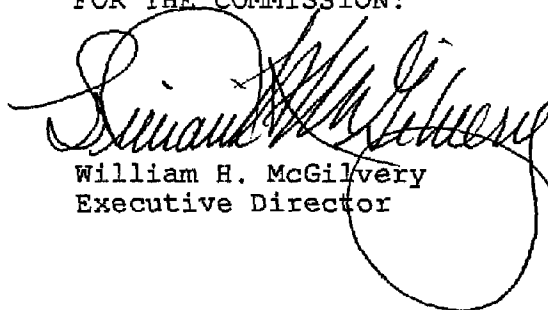

On October 21, having presented some, but not all, of their vehicles for inspection, respondents filed a request for an additional two weeks to complete the inspection process.

Respondents point out that the inspections were not scheduled to begin until after a meeting with the Commission's General Counsel. Respondents also note that mandatory vehicle inspections by the Maryland Public Service Commission created some scheduling problems.

For good cause shown, the deadline for complying with the vehicle inspection provisions of Order No. 5707 shall be extended to November 5, 1999.

THEREFORE, IT IS ORDERED, that Malek Investment, Inc., and Malek Investment of Virginia, Inc., shall comply with the vehicle inspection provisions of Order No. 5707 on or before November 5, 1999.
