The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant proposes commencing operations with one van. Applicant's proposed tariff contains an hourly rate with a minimum charge, and a per capita fare with an excess mileage rate, for door-to-door service.

Applicant filed a balance sheet as of July 17, 2001, showing assets of \$28,785; liabilities of \$12,000; and equity of \$16,785. Applicant's projected operating statement for the first twelve months of WMATC operations shows WMATC revenue of \$64,800; expenses of \$56,000; and net income of \$8,800.

Applicant certifies it has access to, is familiar with, and will comply with the Compact and the Commission's rules and regulations thereunder.

4. That the grant of authority herein shall be void and the application shall stand denied upon applicant's failure to timely satisfy the conditions of issuance prescribed herein.
