Case No. AP-2002-30

By application accepted for filing March 8, 2002, applicant, Amory's Care Transportation Inc., a Maryland corporation, seeks Commission approval to acquire Certificate No. 417 from Yeama Will, trading as Amory's Care Transportation. Will has agreed to transfer Certificate No. 417 and other assets in exchange for a controlling interest in Amory's Care Transportation Inc., a new carrier. The application is unopposed.

Article XI, Section 11(a), of the Compact governs the transfer of a certificate of authority in exchange for a controlling interest in a new carrier.<sup>1</sup> A transfer of this nature raises fitness issues only.<sup>2</sup>

Applicant proposes commencing operations with two vans. Applicant's proposed tariff contains rates for transportation under the DC Medicaid program.

Applicant filed a balance sheet as of December 31, 2001, showing assets of \$93,818; liabilities of \$53,468; and equity of \$40,350. Applicant's projected operating statement for the first twelve months of WMATC operations shows WMATC revenue of \$92,857; expenses of \$87,620; and net income of \$5,237.

Applicant certifies it has access to, is familiar with, and will comply with the Compact and the Commission's rules and regulations thereunder.

Based on the evidence in this record, the Commission finds applicant to be fit, willing, and able to perform the proposed transportation properly and to conform with applicable regulatory requirements and, therefore, that the transfer of Certificate No. 417 to applicant is consistent with the public interest.
