

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, DC

ORDER NO. 6727

IN THE MATTER OF:

Served July 11, 2002

Application of FRENCH ENTERPRISE, )  
INC., Trading as RIDEMAN )  
TRANSPORTATION, for a )  
Certificate of Authority -- )  
Irregular Route Operations )

Case No. AP-2002-59

Applicant seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District, restricted to transportation in vehicles with a seating capacity of less than 16 persons only, including the driver. The application is unopposed.

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant proposes commencing operations with one van. Applicant's proposed tariff contains hourly charter rates and per capita rates for DC Medicaid and non-Medicaid transportation.

Applicant filed a balance sheet as of April 4, 2002, showing assets of \$22,000; liabilities of \$21,800 (including loans from officers/owners of \$21,000); and equity of \$200. Applicant's projected operating statement for the first twelve months of WMATC operations shows WMATC revenue of \$53,500; other revenue of \$30,000; expenses of \$76,225; and net income of \$7,275. Although applicant's debt/equity ratio is high, the Commission has found highly leveraged carriers financially fit where, as here, the owners are a major source of debt.<sup>1</sup>

Applicant certifies it has access to, is familiar with, and will comply with the Compact and the Commission's rules and regulations thereunder.

Based on the evidence in this record, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.
