ORDER NO. 7539

IN THE MATTER OF:

ULTIMATE HEALTH CARE )  
SERVICES, INC., Suspension and )  
Investigation of Revocation of )  
Certificate No. 565 )

Case No. MF-2003-95

Commission Regulation No. 58 requires respondent to insure the revenue vehicles operated under Certificate No. 565 for a minimum of \$1.5 million in combined-single-limit liability coverage and maintain on file with the Commission at all times proof of coverage in the form of a WMATC Certificate of Insurance and Policy Endorsement (WMATC Insurance Endorsement) for each policy comprising the minimum.

The \$1.5 million primary WMATC Insurance Endorsement on file for respondent terminated on September 11, 2003, and Certificate No. 565 was automatically suspended under Regulation No. 58-02 as a result, as noted in Order No. 7408, served September 12, 2003.

Respondent has filed an acceptable \$1.5 million primary WMATC Insurance Endorsement that is effective from October 10, 2003, to October 10, 2004. Although this leaves a gap in coverage from September 11, 2003, through October 9, 2003, respondent has furnished evidence that it has not operated since September 2, 2003. Accordingly, the suspension is lifted, and this investigation is terminated.

IT IS SO ORDERED.
