ORDER NO. 7560

IN THE MATTER OF:

Application of TOMMY G. LOGAN,)
JR., Trading as YES TRANSPORTATION))
SERVICE, for a Certificate of)
Authority -- Irregular Route)
Operations)

Case No. AP-2003-150

By application accepted for filing November 10, 2003, Tommy G. Logan, Jr., a sole proprietor trading as Yes Transportation Service, seeks a certificate of authority for irregular route operations in vehicles with a seating capacity of less than 16 persons only, including the driver.

Applicant proposes commencing operations with one van. Applicant's proposed tariff contains an hourly charter rate and individual fares for transportation to and from Ronald Reagan Washington National and Washington-Dulles International Airports. Applicant proposes charging a fee for trips after 9 p.m. and a different fee for trips prior to 6 a.m., but the proposed tariff does not explain when the post-9 p.m. fee stops and the pre-6 a.m. fee starts. Also, applicant's fares between the District of Columbia and the two Virginia airports reference a zone map that is not included as part of the proposed tariff. Finally, applicant proposes charging other rates for door-to-door service, but the proposed tariff does not indicate what those rates will be. Applicant will be directed to file an amended proposed tariff that: (1) indicates when the post-9 p.m. fee stops and the pre-6 a.m. fee starts; (2) includes a zone map for calculating fares between the District of Columbia and the two airports in Virginia; and (3) specifies fixed rates and/or fixed fares for door-to-door service.

This proceeding is hereby initiated to determine whether applicant is fit and whether the proposed transportation is consistent with the public interest.

THEREFORE, IT IS ORDERED:

1. That applicant shall publish once in a newspaper of general circulation in the Metropolitan District, no later than December 10, 2003, notice in the form prescribed by the staff of the Commission.

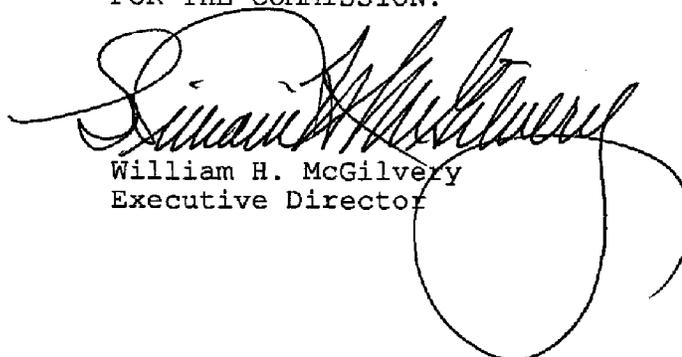

2. That applicant shall file with the Commission, no later than December 31, 2003, an original and four copies of an affidavit that notice has been published as required in the preceding paragraph.

3. That applicant shall file with the Commission, no later than December 10, 2003, an original and four copies of an amended proposed tariff that: (1) indicates when the post-9 p.m. fee stops and

the pre-6 a.m. fee starts; (2) includes a zone map for calculating fares between the District of Columbia and the two airports in Virginia; and (3) specifies fixed rates and/or fixed fares for door-to-door service.

4. That the deadline for filing protests, comments, applications for intervention, and requests for formal hearing, is December 31, 2003, and that copies must be served on applicant at 11431 Hawk Ridge Court, Beltsville, MD 20705-1451.
