

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, DC

ORDER NO. 7843

IN THE MATTER OF:

Served March 12, 2004

Application of CAPITAL	)	Case No. AP-2003-163
TRANSPORTATION SERVICES, INC.,	)	
for a Certificate of Authority --	)	
<u>Irregular Route Operations</u>	)	

Applicant seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District, restricted to transportation in vehicles with a seating capacity of less than 16 persons only, including the driver. The application is unopposed.

The Compact, Title II, Article XI, Section 7(a), requires the Commission to issue a certificate of authority authorizing all or any part of the transportation covered by an application submitted under this section if the Commission finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant proposes commencing operations with eight vehicles with seating capacities ranging from 5 to 15 passengers. Applicant's proposed tariff contains hourly charter rates, private shuttle rates and shared-ride shuttle rates. The shuttle rates include rates for transportation between points in Virginia.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

Based on the evidence in this record, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

We cannot approve that part of the application proposing intra-Virginia transportation, however, inasmuch as transportation solely within the Commonwealth of Virginia is excluded from our jurisdiction.<sup>1</sup> The application is denied, therefore, to the extent it proposes rates for transportation between points in Virginia.

THEREFORE, IT IS ORDERED:

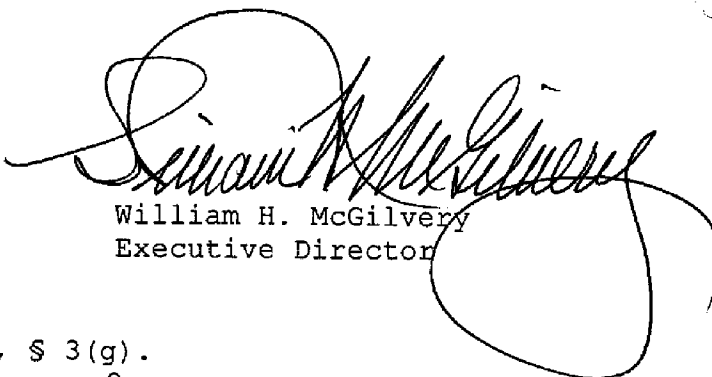

1. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 890 shall be issued to Capital Transportation Services, Inc., 1926 Carters Grove Drive, Silver Spring, MD, 20904.

2. That applicant may not transport passengers for hire between points in the Metropolitan District pursuant to this order unless and until a certificate of authority has been issued in accordance with the preceding paragraph.

3. That applicant is hereby directed to file the following documents within the 180-day maximum permitted in Commission Regulation No. 66: (a) evidence of insurance pursuant to Commission Regulation No. 58 and Order No. 4203; (b) an original and four copies of a tariff or tariffs in accordance with Commission Regulation No. 55; (c) a vehicle list stating the year, make, model, serial number, fleet number, license plate number (with jurisdiction) and seating capacity of each vehicle to be used in revenue operations; (d) a copy of the for-hire vehicle registration card, and a lease as required by Commission Regulation No. 62 if applicant is not the registered owner, for each vehicle to be used in revenue operations; (e) proof of current safety inspection of said vehicle(s) by or on behalf of the United States Department of Transportation, the State of Maryland, the District of Columbia, or the Commonwealth of Virginia; and (f) a notarized affidavit of identification of vehicles pursuant to Commission Regulation No. 61.

4. That the grant of authority herein shall be void and the application shall stand denied upon applicant's failure to timely satisfy the conditions of issuance prescribed herein.
