Case No. AP-2004-63

By application accepted for filing March 18, 2004, Abdul Karim Sesay, a sole proprietor, seeks a certificate of authority for irregular route operations in vehicles with a seating capacity of less than 16 persons only, including the driver.

Applicant proposes commencing operations with one van. Applicant's proposed tariff contains rates for transportation under the DC Medicaid program.

The application shows three different addresses for applicant. The address on page 2 of the application agrees with neither the address on Exhibit A (applicant's vehicle registration) nor the address on Exhibit C (applicant's driver's license). Applicant will be directed to file a written statement explaining why page 2 of the application and Exhibits A and C show three different addresses for applicant. In the alternative, applicant may file an amended page 2, Exhibit A and/or Exhibit C to resolve those differences.

This proceeding is hereby initiated to determine whether applicant is fit and whether the proposed transportation is consistent with the public interest.

THEREFORE, IT IS ORDERED:

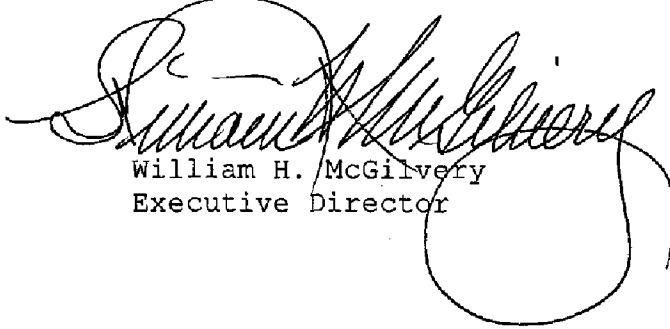

1. That applicant shall publish once in a newspaper of general circulation in the Metropolitan District, no later than April 22, 2004, notice in the form prescribed by the staff of the Commission.
